

Dear future students, parents and carers,

I am delighted to introduce myself as your Year 7 form tutor for when you join The Orme Academy in September 2024. My name is Mr Mohammed and I am one of the Maths teachers here at the Academy.

I can imagine there are a lot of mixed feelings of both excitement and worry as you transition over to secondary school life. As your form tutor it is my job to help you overcome these worries and settle smoothly into the Academy as well as ensure that you flourish in everything that you do over the next 5 years.

I will be your first port of call at The Orme Academy should you need any support in any area of your educational journey. I will also be keeping in contact with parents and carers about your achievements and the progress you are making. I want you to feel proud to be part of our school community. I expect a positive learning environment within my form group so I have high expectations of you; I want you to succeed and be the best you can be!

Enjoy the rest of your time in Year 6 and your well earned summer and I can't wait to meet you all come September!

*Mr Mohammed*
