Year 11 Easter Revision Classes

Dear Parents/Carers

Revision classes are a key part of the support we offer our Year 11 students in the run up to their summer examinations. Many students have already accessed additional sessions after school.

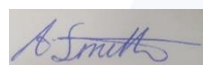

Over the Easter holidays we are offering 'drop in' coursework and revision sessions for some subjects. These are open to all students to ensure that they can access additional support if needed. The revision sessions on offer will focus on particular skills or specification content where students will be able to re-cap and re-visit their learning. Outlined below are the sessions that are available over Easter for students to attend. Please confirm your child's attendance to the sessions using the links on ParentPay.

Date of session	Subject and Time	Time
Monday 3 rd April	Design and Technology/ Health and Social Coursework Science Geography (Paper 1)	9:30 – 3pm 9 – 11am 9:30 – 11:30am
Tuesday 4 th April	Design and Technology/ Health and Social Coursework / Construction Coursework Music Food Coursework	9:30-3pm 9-3pm 9:30-12pm
Wednesday 5 th April	English Health and Social	9:30-12:30pm 9:30-12pm
Thursday 6 th April	Design and Technology/ Health and Social Coursework Music RE	9:30-3pm 9-3pm 10 -2pm
Friday 7 th April		
Tuesday 11 th April	English Music Geography (Paper 2)	9:30 -12:30pm 9-3pm 9:30 – 11:30am
Wednesday 12 th April	Maths (Higher and Foundation)	10 -1pm
Thursday 13 th April	Music History Paper 2: Germany	9-3pm 10 – 12:30pm
Friday 14 th April		

Students are welcome to attend their session in casual attire. We advise students to bring their own food and refreshments as there will be no on-site facilities available. Students should enter the Academy via the Music door, where there will be a student sign in document. From here they will need to make their way to their subject area classroom.

We look forward to welcoming students to our Easter revision as we prepare for the final push towards their final exams.

Yours sincerely

 A. Smith
 Assistant Principal: Learning and Teaching
