

Aims and Mission statement of the School

Aims

Staff and students work together to:

- raise aspirations and widen personal horizons
- take responsibility for ourselves and our actions
- be independent learners who can work collaboratively
- stimulate an interest in learning as a lifelong process
- value truth, honesty and fairness
- develop self-respect and confidence
- develop an understanding of the needs and well-being of ourselves and others
- provide creative opportunities and develop an appreciation of the aesthetic and cultural aspects of life.

Mission

We believe that each student will reach their personal best through experiencing

- a rigorous and reflective approach to work focussed on progress
- a broad, balanced and relevant curriculum experience
- a safe, disciplined and stimulating learning environment which has a varied range of learning and teaching opportunities
- the provision of a caring, supportive school community where there is equal opportunity for all students, irrespective of ability, gender, race or culture
- an ethos of community within the school and its neighbourhood.

High Expectations – No Excuses
