Dear Parent/Carer

Re: Ofsted inspection report

As you will be aware, the school was visited by Ofsted in June for our scheduled inspection. I have now received the final report and so can share it with you.

I am delighted to inform you that the school's **Overall Effectiveness has been graded as Good**. Indeed, all four areas of the inspection framework were graded as **Good** (Quality of Education, Behaviour and Attitudes, Personal Development, Leadership and Management).

The school has been through a period of rapid improvement and development over the last few years and these judgements simply rubber stamp the progress made. It represents the hard work of staff, students and support from yourselves and the entire school community.

I am incredibly proud to have led the Academy's journey over the last 4 years, but we do not stop there. Whilst this judgement does provide us with some external verification of the current quality of the school, it is essential that we continue to strive to be the best we can be, every minute of every day. We want the absolute best for our children and we continue to look to improve, to ensure that our school is truly exceptional in everything that it does – one that the community that it serves can be rightly proud of. I remind you of our Academy ACE values:

ASPIRATION – aspire to be the best you can be and get the best out of life.

CHALLENGE – be resilient when things are difficult, work hard, welcome new experiences and engage in learning.

ENJOYMENT – enjoy all aspects of school and build positive relationships.

Striving to ensure that everyone associated with the school demonstrates these behaviours consistently, is the key to further success.

The full Ofsted report is attached to this correspondence and it can also be found on our website. [Ofsted report - The Orme Academy](#). If you require a paper copy, then do let us know.

Once again, I hope you join me in recognising the success, hard work and commitment of our staff, children and wider school community.

Your sincerely

Mark Boughey
Principal
