

Mid-point checks

- 2 Weeks after half term you will be completing your mid-point checks in English, Maths and Science.
- This is not a full assessment week but an opportunity for teachers in the core subjects to make sure you are not falling behind between the 2 assessment weeks.
- You will sit the mid-point checks in the main hall during lesson times. The times of the school day remain the same.
- You will have topic lists and this timetable emailed to you and your parents today so you know what will be covered.
