How Corals Become Bleached

Artist -Vanessa Barragão "Every piece is handmade using discarded textile waste and a variety of techniques, including crochet, latch hook, hand-tufting, embroidery, felting, and knitting

Clay Techniques

Using the grid method add tone using light, medium and dark shades

- Tone:** Add shading to your drawings or painting, by using lighter or darker tones, to make them, look 3D.

- PINCH** – Use your fingers to pinch and poke a single lump of clay into any shape
- SLAB** – Roll the clay into flat sheets (like a pie crust) to cut apart and assemble
- COIL** – Roll out long snakes of clay and twist them into coils and shape
- Scratch and attach**- use slip to attach the sections of clay together after you have scratched both parts
