👨‍⚕️ Special Guest in Science! ❤️🇸🇦

Last week, our Year 9 students had the incredible opportunity to meet Dr Satur, a visiting heart surgeon, during their science lessons! 🌟

Dr Satur shared fascinating insights into the world of cardiac surgery, discussing the challenges and rewards of working in medicine, and the journey to becoming a surgeon. 🌟

Students then took part in a practical session, exploring heart anatomy and learning basic surgical techniques — a truly inspiring, hands-on experience!
