Dear Parent/ Carer

Re: Year 6 transition

As you can imagine, we are working hard behind the scenes to get everything set up ready for when your child joins us in September. We are in the process of receiving relevant information from Primary schools about what level your child is currently working at alongside additional transition information, and soon you will receive an electronic pack of data collection forms and additional documentation.

Once this information is sent back to the Academy, your child will be allocated a form group and we will be in touch again to let you know who their form tutor will be in September.

The 'Transition Hub' section of the Academy website contains up to date information such as a virtual tour of the Academy and a prospectus to help your child become familiar with the layout of the Academy. A message from Miss Wood (Head of Year) has been uploaded this week. The 'Transition Hub' can be found by clicking here: <https://theormeacademy.org.uk/parents/Year-6-into-7-Transition-Hub>

Our induction day for our new Year 7 students will be on Tuesday 8th July 2025. On this day we are planning a series of activities which will allow the new students to get acclimatised, meet new friends and find their way around school. A letter with details about this day will be sent out, to students, after half term but there will also be a meeting for parents on the same day. The same information will be presented twice on that evening to allow as many parents as possible to attend. The first session will be from 5.30-6pm and the second session will be at 6.30-7pm; parents can choose which session they would like to attend by completing the Microsoft form here: <https://forms.office.com/e/CBHVxRsBmZ>. There is no requirement for the students to attend but if they do, where possible, we ask that you do not bring other children as there will not be sufficient space in the hall.

We are always happy to work with you as parents/ carers if you feel there is something we can do to enable the transition for your child to be a little easier. Please get in touch with us if we can be of any further assistance and we will be happy to support you and your child.

Additional information regarding uniform, times of the day, form groups etc will be sent to you in the coming weeks. In the meantime, please get in touch with us if there is anything we can do to support you.

Yours sincerely

Mrs A Caulkin
Assistant Principal
