

Form 7 JBO

Dear future Year 7 Students,

I would like to introduce myself as your new form tutor when you join The Orme Academy in September 2026. My name is Mrs Bott and I am extremely excited to welcome you to the school in September.

When you join the Academy in September, I will be with you every step of the way, therefore we can embark on journey together. As your form tutor, I will be responsible for supporting you over the next 5 years and ensuring you achieve your full potential.

As well as your form tutor, I am a Performing Arts teacher at The Orme Academy. I have high expectations of how pupils behave in lessons and around school. My key ethos is showing respect to others, I believe you should show respect to the school equipment, your school uniform and most importantly to your teachers and peers.

I look forward to meeting you and working with you in September and I am sure we will have the best form group.

Mrs Bott
