

The Home - Academy Agreement is a document issued to all students/parents when they join the Academy. The document states the commitment the Academy makes to its students. It also details the Academy's expectations of its parents and students in making sure all students are successful.

- set and monitor independent learning regularly;
- keep parents informed about Academy activities through regular emails home, newsletters and Social Media.

## Students

### I will make every effort to:

- attend school regularly and on time;
- work hard and achieve my best both in classwork and independent learning;
- show respect for other people, their property and opinions;
- wear the Academy uniform and be tidy in appearance;
- prepare for school each day and bring all necessary equipment;
- take pride in the Academy site, keeping it free from litter and graffiti;
- maintain the Academy's good reputation at all times.

## Parents

### I/we will make every effort to:

- see that my child goes to school regularly, on time, properly equipped and in correct Academy uniform;
- let the Academy know about any concerns or problems that might affect my child's work or behaviour;
- support the Academy's policies and rules;
- provide conditions that support my child with independent learning and take an interest in the work my child does and encourage high personal standards.

**Please note:** Mobile phones/communication devices are not generally permitted to be used on the Academy site. However, there may be occasions when teaching staff give permission for mobile phones to be used as part of the teaching and learning process during lessons. If a student's mobile phone goes off, or they are seen using it, without explicit permission from a member of staff, this will be confiscated. If it is the first time that it has been confiscated, it will be returned to the student at the end of the day; on subsequent occasions, parents/ carers will need to collect it from reception.
