

21.5.21

Dear all,

This is a reminder that we get our half term next Friday 28th May at 2pm.

COVID:19 update

We are continuing to keep safe distances at all times, keeping up our hygiene/ cleaning routines and being outdoors as much as possible. We regularly update our covid risk assessment.

Staff continue to complete home tests twice each week and students are strongly encouraged to do so if they can. Here are the links again of where to register the results on a Sunday evening/Monday morning or a Wednesday evening/Thursday morning. You will also find direct link on the website under the letters tab. Again, if we have permission replies we will test students on Monday mornings if they do not report their result to us. Please let me know if you need more test kits.
