

21.6.21

Dear all,

Please see a letter to secondary school and college parents in England on continuing regular Covid-19 testing from Gavin Williamson, Secretary of State for Education

attached in the link regarding the importance of testing twice a week and recording it to the NHS and to the college. We really appreciate those who do and kindly ask everyone to complete the testing more than ever with the latest increase of cases in Southwark.

Last week some students went to cater at our first offsite outdoor catering event at Spa Camberwell. The students did an excellent job following all covid 19 guidelines.

It was great to see some of you at our informal coffee afternoon last Friday. It was a great opportunity to meet some other families. We look forward to our afternoon Tea on our last day of term 1-2pm depending on government guidelines. .
