

July 1st 2022

Dear all,

We have had a great week with lots of hard work. We will have 2 more weeks left before the summer holidays and everyone is very busy. Some students participated in organising a breakfast for the special Heads at Spa Camberwell this week and it was very well received.

We were looking forward to welcoming you all the to The Big Tea afternoon tea this afternoon- raising money for the NHS, but unfortunately due to covid and 6 cases at the college this event has been cancelled. We are really sorry. We appreciate all your support and will keep you updated. We have put in tighter measures- more cleaning and reminders to handwash, wearing masks and keeping apart as much as possible. Please do continue to be vigilant and staying at home if unwell.

Next week, all going well we are looking forward to attending the premiere of the social skills film at the Mari-time Museum Tuesday 5th July 5:30-7:30pm, that some of our students were part off. Please do let us know if you are planning to attend. All are welcome. Information in a separate letter has been sent home.

Don't Face It Alone Campaign

Youth charity, The Diana Award is running Don't Face It Alone, an anti-bullying campaign encouraging young people and us all to #SpeakOutAboutBullying. The campaign launched on Wednesday 22nd June and encourages young people not to suffer alone from bullying and instead to speak out and report it, whether it is taking place online or offline. The campaign aims to get the nation talking about bullying and the positive steps that can be taken to prevent it. Find out more on the website: [Don't Face it Alone](#)
