

16<sup>th</sup> December 2022

Dear all,

We hope you are all keeping well and looking forward to the Christmas break. We have had a wonderful and busy term.

### **Events**

The students did a wonderful job in their events – catering work experience. The feedback is always so great, comments on the quality of the food presented by the students and their customer service is exemplary. Well done to them.

### **Offsite work experiences and workshops:**

Some students continued their work experiences and others started in the cafes, restaurant, foodbank, youth centre, park and museum. They have learned valuable skills in the placements and travel training. Some students accessed workshops in coding and garage band at the apple stores, wreath making workshops, and a visit and a talk at the Poetry library.

### **Cyber crime**

PC Lisa came to visit the college and will come in January to deliver a talk on cyber crime with the students.

### **Christmas Jumper Day**

Thanks to all of you who donated for Christmas Jumper Day. We raised £30. Thank you.

### **Winter Fair & Christmas Fair**

Thank you to everyone who was able to attend the Winter Fair and purchase some lovely gifts made by the students. It was a great event attended by some of our governors/ directors. We also attended the Christmas Fair in Clapham this week where some students sold the tie-dye crafts and jewellery which they made in the weekly careers workshops with Autism Voice.

### **Careers Talks**

We have had great talks by a photographer, an actor, a musician, a carpenter and a barrista. We have a magician coming in the new year! The students are accessing careers advise through Morrisby.

All the staff wish you a peaceful Christmas time and Best wishes for the New Year. We look forward to welcoming students back on Wednesday 4<sup>th</sup> January.
