

7th June 2023

Dear all,

We are delighted to say that the video that was recorded at college in the Spring term is now edited and ready to be shown as part of the Southwark SEND strategy in Action - online event this week. The video can be accessed from 9am on Thursday 8th June on the following at <https://localoffer.southwark.gov.uk/>

We will also send a flyer home for more information and a link on how to access it and other videos. It will also be available on YouTube and on our website.

We would like to hold a screening at college to show the video and invite you in to watch it together and celebrate with the students next Monday 12th at 2:45-3:15pm. There will be light refreshments served. Please do let us know if you are able to attend on the slip below or my emailing or ringing the college.

Looking forward to seeing those of you who can make it.
