

Pathfinder School Reception Curriculum Coverage 2023-2024

Personal, Social and Emotional Development-Development Matters

Self-Regulation	Managing Self	Building Relationships
Express their feelings and consider the feelings of others.	See themselves as a valuable individual.	Build constructive and respectful relationships.
Identify and moderate their own feelings socially and emotionally.	Show resilience and perseverance in the face of challenge.	Think about the perspectives of others.
	Manage their own needs. - Personal hygiene	
	Know and talk about the different factors that support their overall health and wellbeing: - regular physical activity - healthy eating - toothbrushing - sensible amounts of 'screen time' - having a good sleep routine - being a safe pedestrian	

Personal, Social and Emotional Development-PKC

All about Me	Transport: Past and Present	Space	Growing and Changing	Kings and Queens	Stories from the Past
Personal, Social and Emotional Development					
Our classroom and school rules; how we all help to make our classroom a happy place to learn My Feelings; words I can use to describe how I am feeling. What I can do when I am angry or upset	Teamwork and sharing; working together and waiting to take turns How can I help my friends?	Including everyone; diversity within our school and the wider community	Healthy diets to help us grow; what we need to eat, how we look after our bodies and keep ourselves clean.	Doing things myself and helping others. Independence. What can I do if I am worried?	Challenges: moving to Year One What do I do when things are hard? Perseverance Who can help me at school?

Physical Development-Development Matters

Gross Motor Skills	Fine Motor Skills
Revise and refine the fundamental movement skills they have already acquired: - rolling - walking - running - skipping - crawling - jumping - hopping - climbing	Develop their small motor skills so that they can use a range of tools competently, safely and confidently. Suggested tools: pencils for drawing and writing, paintbrushes, scissors, knives, forks and spoons.
Progress towards a more fluent style of moving, with developing control and grace.	Develop the foundations of a handwriting style which is fast, accurate and efficient.
Develop the overall body strength, co-ordination, balance and agility needed to engage successfully with future physical education sessions and other physical disciplines including dance, gymnastics, sport and swimming.	
Use their core muscle strength to achieve a good posture when sitting at a table or sitting on the floor.	
Combine different movements with ease and fluency.	
-Confidently and safely use a range of large and small apparatus indoors and outside, alone and in a group. -Develop overall body-strength, balance, co-ordination and agility.	
-Further develop and refine a range of ball skills including: throwing, catching, kicking, passing, batting, and aiming. -Develop confidence, competence, precision and accuracy when engaging in activities that involve a ball.	
Further develop the skills they need to manage the school day successfully: - lining up and queuing - mealtimes	

Physical Development-PKC

All about Me	Transport: Past and Present	Space	Growing and Changing	Kings and Queens	Stories from the Past
Discrete PE lessons timetabled in addition to free flow use of outdoor area					
Gross Motor					
Spatial awareness and multi step instruction games Running, jumping, using tricycles and scooters outside with increasing control.	Spatial awareness and coordination games, throwing and catching Dance to music, moving with control around the floor	Invasion games, throwing and catching Balance-standing on one leg, walking along a bench, climbing.	Team games and ball skills including using a racquet Running, jumping, hopping from foot to foot, running around obstacles	Team games including relay races, using racquets and balls, throwing and catching Running, jumping, hopping, skipping, jumping over obstacles, skipping with a rope	Racing and obstacle courses – skills for sports day Running, jumping, hopping, skipping, travelling under and over obstacles, throwing and catching
Fine Motor					
Small tools; cutlery, tweezers, pipettes, scissors. Cutting paper, card, fabric, tracing, using templates, playdough Drawing myself; what features do I have?	Small tools; cutlery, tweezers, pipettes, scissors Drawing maps, transport, junk modelling vehicle	Small tools; cutlery, tweezers, pipettes, scissors Drawing and painting,	Small tools; cutlery, tweezers, pipettes, scissors. Cutting shapes e.g. spirals Drawing and painting plants and flowers, leaf rubbings, pencil control	Small tools; cutlery, tweezers, pipettes, scissors. Cutting shapes e.g. spirals Drawing, painting and modelling dough animals, pencil control	Small tools; cutlery, tweezers, pipettes, scissors. Cutting textured paper, tracing, using templates, playdough Drawing, painting, weaving or simple sewing.

Communication and Language -Development Matters

Listening, Attention and Understanding	Speaking
Understand how to listen carefully and why listening is important.	Use new vocabulary through the day.
Learn new vocabulary.	Ask questions to find out more and to check they understand what has been said to them.
Engage in story times.	Articulate their ideas and thoughts in well-formed sentences.
Listen to and talk about stories to build familiarity and understanding.	Connect one idea or action to another using a range of connectives.
Retell the story, once they have developed a deep familiarity with the text, some as exact repetition and some in their own words.	Describe events in some detail.
Listen carefully to rhymes and songs, paying attention to how they sound.	Use talk to help work out problems and organise thinking and activities, and to explain how things work and why they might happen.
Learn rhymes, poems and songs.	Develop social phrases.
Engage in non-fiction books.	Use new vocabulary in different contexts.
Listen to and talk about selected non-fiction to develop a deep familiarity with new knowledge and vocabulary.	

Communication and Language – PKC

All about Me	Transport: Past and Present	Space	Growing and Changing	Kings and Queens	Stories from the Past
My family, my school, my environment, the people around me, people who help us.	Modes of transport now, local transport, early transport including George Stevenson and the Steam Train, local transport in the past, exploring and travelling.	Our planet Earth, the moon, the sun, the planets in our solar system, space travel, astronauts, the International Space Station	Seasons, plants, what plants need to grow, how we grow and change, how animals grow and change, how things around us change.	Our Queen, coronations, The Magna Carta, Buckingham Palace, London, Locally significant areas in the past	Oral storytelling, Greek Gods, St George and the Dragon, Myths and Legends
Listen to others one on one or in small groups, e.g. talk about families in circle time and share pictures. Join in with repeating refrains and anticipating	Join in with repeated refrains and familiar stories. Follow directions, recognising left and right	Build up vocabulary that reflects knowledge and experience e.g., children can talk about space, what they know about it, what an astronaut does, how we know about space	Focus attention in a variety of situations; in small groups, 1:1 and whole class Understand 'how' and 'why' questions and use them in a variety of	Describe a pretend object in play based situations, e.g. when role playing a coronation a child might use props for their orb and sceptre.	Use talk to explain what is happening and anticipate what might happen next e.g. when reading about St George and the Dragon, children might explain what they think might happen to St George.

key events and phrases in rhymes and stories e.g. in songs, poems, familiar stories, call and response games. Understand use of objects and tools in the classroom e.g. children know what they can do during independent free flow time, they know how to select the tools they need to make a junk model, to write a letter to someone etc. Respond to multi-step instructions e.g. first we need to put our coats on, then we need to zip them up, then we will get ready to go out to play. Retell past events from stories and from own experience in chronological order; e.g. describing a day at school, describing what they did at the weekend, talking about what happened in a story.	e.g. in games such as Simon says Show understanding of prepositions such as 'under, on top' e.g. when tidying the classroom children can say where things belong. Use vocabulary, including phrases, from recently read stories in conversations e.g. children can talk about George Stevenson's Rocket and why it was important Ask questions using what, where, when and why to find out information, e.g. when learning about things from the past, children can ask questions to find out more.	Use different tenses to discuss things that are happening now and things that happened in the past, and things that happened a very long time ago. Ask relevant questions to find out more information e.g. when sharing a non-fiction text children can say 'I wonder why...' Share opinions, explaining preferences e.g. My favourite planet is... because...	contexts e.g. how do people change as they grow? Use increasingly complex sentences to link thoughts e.g. using 'and', 'because'. E.g. this plant did not grow well because... This plant grew really well because... Use newly acquired vocabulary to name and describe, and in conversations e.g. children can discuss their plants, how they cared for them and what they noticed. Apply new vocabulary to explain changes noticed in plants.	Question to understand why things happen e.g. who, what, when, how e.g. when a visitor comes in to talk to the class, children can ask questions rather than just sharing information they know. Use intonation and rhythm when joining in with stories and rhymes. Respond to questions using full sentences, e.g. I think... because... this will be consistently modelled by adults in all curriculum areas.	Recall and relive past experiences; discuss special events, birthdays, in school celebrations etc. Retell events in order e.g. ordering events from the stories about Greek Gods that they've shared in class. Respond to comments from peers using full sentences, e.g. I agree with ... because... Explain ideas and experiences using different tenses, prepositions, temporal connectives and vocabulary acquired from all areas of the curriculum. This will be modelled by adults consistently.
---	---	--	--	--	---

Literacy-Development Matters

Comprehension	Word Reading	Writing
	Read individual letters by saying the sounds for them.	Form lower-case and capital letters correctly.
	Blend sounds into words, so that they can read short words made up of known letter-sound correspondences.	Spell words by identifying the sounds and then writing the sound with letter/s.
	Read some letter groups that each represent one sound and say sounds for them.	Write short sentences with words with known letter-sound correspondences using a capital letter and full stop.
	Read a few common exception words matched to the school's phonic programme.	Re-read what they have written to check that it makes sense.
	Read simple phrases and sentences made up of words with known letter-sound correspondences and, where necessary, a few exception words.	
	Re-read these books to build up their confidence in word reading, their fluency and their understanding and enjoyment.	

Literacy-PKC

All about Me	Transport: Past and Present	Space	Growing and Changing	Kings and Queens	Stories from the Past
Fiction including picture books with familiar settings, relating to families, people who help us. Oral retelling of familiar stories using own words and recently introduced vocabulary. Story language; becoming familiar with phrases like 'once upon a time', 'a long time ago', 'lived happily ever after'.	Fiction & Non fiction books about transport Identify and anticipate key events in familiar stories including repeated refrains. Role play; using imaginative movement and vocabulary to recreate scenes from familiar stories	Fiction & Non-fiction texts about space. Emergent writing; encourage short words or phrases in different writing contexts, e.g. in free flow or in a structured lesson. List writing Reading words through sound blending as part of an SSP scheme Provide opportunities for emergent writing (with	Fiction & Non-fiction texts about how people, animals and plants grow. Labelling e.g labelling seed pots Descriptive sentences; children begin to write to describe an object eg. The seed is tiny. The plant is tall. Letter writing including simple sentences and phrases Recognise common exception words within a	Fiction & Non-fiction texts about the monarchy, history etc. Children can annotate pictures of monarchs with speech bubbles and thought bubbles. Descriptive sentence writing Instructions; writing simple instructions for a familiar process in a numbered list. Verbal sequencing using temporal connectives. E.g.	Fiction & Non-fiction books about the past. Character profiling; what do we know about St George? Using descriptive language in oral storytelling and in writing. Creating our own stories (orally or written) with a Beginning, middle and end.

Use puppets to retell familiar stories. Poetry; learning and reciting simple poems with rhyme and repetitive language Initial sounds and simple CVC words in line with an SSP scheme Provide opportunities for mark making; stamps in playdough, wheels and other shapes for stamping into playdough, carving into fruit and vegetables. Upright mark making such as an easel, a tuff tray on its side, painting with water onto walls, window paints etc. Focus on letter formation in line with handwriting policy	Initial sounds and simple CCVC words and more in line with an SSP scheme Provide opportunities for emergent writing (with ongoing provision for mark making) e.g. writing letters of children's names in paint, sand, with water and brushes, tracing activities, rubbing activities, whiteboards and pens, clipboards outside etc. Focus on letter formation in line with handwriting policy	ongoing provision for mark making) e.g. writing letters of children's names in paint, sand, with water and brushes, tracing activities, rubbing activities, whiteboards and pens, clipboards outside etc. Focus on letter formation in line with handwriting policy	SSP scheme Write simple phrases and sentences Focus on letter formation in line with handwriting policy Provide opportunities for emergent writing (with ongoing provision for mark making) e.g. writing letters of children's names in paint, sand, with water and brushes, with pens, pencils etc. Writing short sentences using growing knowledge of phonics to attempt unknown spellings	First I climbed on the climbing frame, then I slid down the big slide! Create fact books about kings and queens and notice the difference between writing stories and writing information. Role play using newly acquired vocabulary e.g. role play a coronation Write simple phrases and sentences with phonetically plausible attempts at unknown spellings. Ongoing provision for emergent writing and creative mark making e.g. playdough and letter stamps, clipboards and paper, painting on an upright tuff tray, writing with fingers in sand, rice etc.	Jumping into the story Settings- what was the character thinking at this point in the story? Instructions; writing numbered lists in a logical order. Nonsense poetry- how authors play with words Write simple phrases and sentences, making phonetically plausible attempts at writing newly acquired vocabulary .

Pathfinder English Cannon

Reception	Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
Texts linked to PKC Units	What makes me a Me? The Gruffalo Here We Are The Squirrels who Squabbled Funnybones	Brave and the Fox Shackleton Mr Gumpy's Motor Car The Trainride	Whatever Next! Meet the Planets How to Catch a Star	The Enormous Turnip Oliver's Vegetables / Fruit Salad Jasper's Beanstalk The Very Hungry Caterpillar Once there were Giants	Paddington at the Palace The Queen's Hat Katie in London	Jack and the Beanstalk Prometheus and the Fire Aesop Fables – Hare and the Tortoise Anansi and the Spider George and the Dragon
Writing opportunities for continuous provision	• Name writing • Scribing child's voice on Gruffalo retelling	• Labelling Brave/fox • Dog sled dictation • Letter writing	• Retelling of Whatever Next! • Planet information dictation • Space - dictation • Labelling astronaut	• Instructions • Speech bubbles	• RSVP to Queen's invitation • Castle labelling • King John dictation	• Retelling of tales • Wanted posters
GPS focus	• Be able to articulate that a sentence needs a subject (someone or something) and a verb (doing or being something). • Use simple sentences accurately in speech. • Identify the difference between statements and questions. • Write a simple sentence with a stop mark (full stop). • Recognise a stop mark (full stop). • Apply learned phonic code when attempting to spell words.			NB in YR writing is taught discretely during the dictation element of SW lessons. Children should apply taught code knowledge. If they are writing a word that they do not have code knowledge for yet, ask them to use the code knowledge for the sound-spelling correspondences they already know and then say, 'In this word, xx is spelt like this.' For the sound-spelling correspondences they don't know, yet. Write the sound-spelling correspondence for the child to copy. It is imperative that children learn to spell words correctly from the outset.		

Traditional rhymes and poetry-PKC

Baa, baa, black sheep Diddle diddle dumpling Hey diddle diddle Hickory dickory dock Early to bed Georgie Porgie	Little Bo Peep Little Jack Horner Little Miss Muffet One, two, buckle my shoe Star light, star bright Twinkle, twinkle	It's raining, it's pouring Jack and Jill Old King Cole Old Mother Hubbard Rain, rain, go away Sing a song of sixpence	Ladybird, ladybird Tadpole Little boy blue Mary had a little lamb Mary, Mary, quite contrary Old MacDonald had a farm	Humpty dumpty She'll be coming round the mountain The Grand Old Duke of York	Jack be nimble Monday's child See saw, Margery Daw Poetry Week

Mathematics-Development Matters

Number	Numerical Patterns
Subitise	Count objects, actions and sounds.
Link the number symbol (numeral) with its cardinal number value.	Count beyond ten.
	Compare numbers.
	Understand the 'one more than/one less than' relationship between consecutive numbers.
	Explore the composition of numbers to 10.
	Automatically recall number bonds for numbers 0–5 and some to 10.
	Select, rotate and manipulate shapes in order to develop spatial reasoning skills.
	Compose and decompose shapes so that children recognise a shape can have other shapes within it, just as numbers can.
	Continue, copy and create repeating patterns.
	Compare length, weight and capacity.

Mathematics-PKC

All about Me	Transport: Past and Present	Space	Growing and Changing	Kings and Queens	Stories from the Past
My family, my school, my environment, the people around me, people who help us.	Modes of transport now, local transport, early transport including George Stevenson and the Steam Train, local transport in the past, exploring and travelling.	Our planet Earth, the moon, the sun, the planets in our solar system, space travel, astronauts, the International Space Station	Seasons, plants, what plants need to grow, how we grow and change, how animals grow and change, how things around us change.	Our Queen, coronations, The Magna Carta, Buckingham Palace, London, Locally significant areas in the past	Oral storytelling, Greek Gods, St George and the Dragon, Myths and Legends
Counting, recognising and writing numbers in a range of practical situations including role play, child-initiated play and adult led activities. Secure one to one correspondence; scaffold learning by modelling how we count objects by placing our finger on each one. Verbally count to and back from 10 and then 20 when appropriate. Numbers within 5; including subitise (recognise quantities without counting) up to five. Number games, pattern games, ongoing mathematical provision for independent choice including numbers in sand tray, clocks, money etc.	Numbers within 10; including subitise (recognise quantities without counting) up to five number bonds and double facts up to 10. Properties of shapes, tessellation and repeating shape patterns. Colours and patterns; Create repeating patterns with beads on strings, patterns of coloured cars etc. Comparing quantities; e.g. pouring water or sand from one container to another and seeing which holds the most.	Quantity; more and less in different contexts including physical objects such as counters, capacity of containers, money and numbers e.g. how many cubes can fit in this box? Can we fit more in this bigger box? How many more can we fit? Numbers within 20; automatic recall of number bonds to 10, secure understanding of numbers between 10 and 20, recognise the value of 10. Counting objects hidden in the sand tray, counting small objects using tweezers to move them from one pot to another.	Positional language; games where children move objects around and describe their position. Verbally count to 20 and beyond. Time to the hour and beyond; make clocks with cardboard and a split pin. Addition and Subtraction with numbers to 20 using concrete objects to support understanding. Odd and even numbers; using concrete objects such as Numicon to support understanding.	Double facts to 10; exploring known facts and how we can apply what we know to new problems. Doubling using concrete objects such as buttons or counters. Comparing quantities of more and less; ordering numbers, recognising how many tens are in a two digit number. Money; begin to recognise coins and their value. Use a till and labels in a shop role play or a shop based tuff tray activity. Time to the hour and beyond; use a large clock to demonstrate.	Grouping and sharing; using concrete objects. Equal grouping and sharing. Sharing out counters, buttons, snacks at snack time etc. Measure; how do we measure things in our classroom? Use nonstandard measure such as how many hands long is this table? Exploring using rulers and measuring tapes to measure our feet, each other's legs etc. Time to the half hour and beyond. Addition and Subtraction within numbers to 20 in practical, concrete contexts. Write numbers in a range of practical situations e.g. to label things, in role play area, with chalk on the playground etc.

Weeks & Terms	Week1	Week 2	Week 3	Week 4	Week 5	Week 6	Week 7	Week 8	Week 9	Week 10	Week 11	Week 12
Autumn	<u>Getting to know you</u> (Take time to get to play and get know the children!)			<u>Just like me!</u> Match and sort Compare amounts Compare size, mass & capacity Exploring pattern			<u>It's me 1, 2, 3!</u> Representing 1, 2 & 3 Comparing 1, 2 & 3 Composition of 1, 2 & 3 Circles and triangles Positional language			<u>Light & dark</u> Representing numbers to 5 One more or less Shapes with 4 sides Time		
Spring	<u>Alive in 5!</u> Introducing zero Comparing numbers to 5 Composition of 4 & 5 Compare mass (2) Compare capacity (2)			<u>Growing 6, 7, 8</u> 6, 7 & 8 Combining two amounts Making pairs Length & height Time (2)			<u>Building 9 & 10</u> Counting to 9 & 10 Comparing numbers to 10 Bonds to 10 3-D shapes Spatial awareness Patterns			Consolidation		
Summer	<u>To 20 and beyond</u> Build numbers beyond 10 Count patterns beyond 10 Spatial reasoning 1 Match, rotate, manipulate			<u>First, then, now</u> Adding more Taking away Spatial reasoning 2 Compose and decompose			<u>Find my pattern</u> Doubling Sharing & grouping Even & odd Spatial reasoning 3 Visualise and build			<u>On the move</u> Deepening understanding Patterns & relationships Spatial mapping (4) Mapping		

Past and Present	People, Culture and Communities	The Natural World
Comment on images of familiar situations in the past.	Talk about members of their immediate family and community.	Explore the natural world around them.
Compare and contrast characters from stories, including figures from the past.	Name and describe people who are familiar to them.	Describe what they see, hear and feel whilst outside.
	Draw information from a simple map.	Understand the effect of changing seasons on the natural world around them.
	Understand that some places are special to members of their community.	
	Recognise that people have different beliefs and celebrate special times in different ways.	
	Recognise some similarities and differences between life in this country and life in other countries.	
	Recognise some environments that are different to the one in which they live.	

Understanding the World-PKC

All about Me	Transport: Past and Present	Space	Growing and Changing	Kings and Queens	Stories from the Past
Past and Present (History)					
My past, present, future and that of others including characters from stories Families; when I was a baby, when my family members were young. Family Trees, diverse representations of family life. Developing sense of chronology; before I was	George Stevenson; The invention of the Steam Train Transport in the past; horse and carriage, motor cars, penny farthing, omnibus, ferry, other locally relevant transport from history Modern transport including the Japanese Bullet Train, hovercraft, racing cars, aeroplanes and other examples of technologically advanced	People who looked at the stars; Galileo. Traditional stories to explain the stars e.g. The hunting of the Great Bear What scientists and astronomers know about our Solar System now; our sun, the planets in our solar system. The Moon landings; Neil Armstrong The International Space Station; when and why it was built and launched	Farming in the past; locally relevant information e.g. local areas that used to be farmland, what was grown, what those areas look like now. How farming worked in the past; use of horses and carts, horses and cows pulling ploughs. Present day use of machinery in farming.	The Story of King John and the Magna Carta (Teachers to tell story based on historical events) Locally significant areas in the past e.g. a local historical building Queen Elizabeth II's coronation in Westminster Abbey.	Stories from Ancient Greece; Prometheus stealing fire from the Gods, Theseus and his battle with the Minotaur, Daedalus and Icarus, Athena and Arachne, King Midas and the Golden Touch Stories from different cultures; Anansi the Spider from the Ashanti in West Africa.

born, before I came to school, which classroom will I be in next year? Our school year – what will we do this year in Reception?	transport Ernest Shackleton the explorer; The South Pole, the challenges of his journey				Aesop's Fables The Legend of St George and the Dragon
People, Culture and Communities (Geography)					
Location of our school and the local area My route to school; what do I pass? Do I take transport? What do we like about our local area? What would we change? Community; this means the people who feature in our lives, our school is an important part of our community, friends, families, religious communities, people with shared interests e.g. hobbies. People who help us in our community; including but not limited to teachers, doctors and nurses, firefighters, police, shop workers, rubbish collectors.	Transport in our local area and contrasted with transport for long journeys- children's experience of transport. Road Safety – how we travel safely. How people from different cultures travel; the tuk tuk in Bangkok, gondolas in Venice, Felucca in Egypt, Dog Sled in Norway.	Astronauts and Astronomers; including Mae Jemison, Tim Peake, Caroline Herschel.	Farming in our local area; what crops are grown where we live? Identify fruit and vegetables that can be grown locally, or within the local region. Identify where the fruit and vegetables we eat come from. Including but not limited to: Oranges: Spain Bananas: Central America Lemons: South Africa Pineapples: Costa Rica Apples: France Onions: The Netherlands Cauliflower: Spain Broccoli: The UK	The Monarchy; Queen Elizabeth II, the Royal Family, Buckingham Palace, Windsor Castle. Countries around the world that have Queen Elizabeth as their monarch including; Canada, Jamaica, New Zealand, Australia and more. The Union Flag of The United Kingdom, flags from countries the children have connections to.	Locate the places that feature in the key stories chosen for this topic. Oral storytelling as part of culture; how we pass on stories within our families and communities. Ask an elderly relative to come in and tell the children a story.
The Natural World (Science)					
The human body: Facial features, body parts, the senses	Forces: push, pull, twist Air transport Water transport	Our planet Earth, land and sea, plants and animals, weather, gravity.	Growing and changing; how people change as they grow, how animals	Seasons of the Year: Summer. Signs of summer; flowers, warmer	Seasons of the Year: Summer. How we stay safe in the sun; sunscreen,

Seasons of the year; Autumn. Deciduous and evergreen trees. Observing leaves using magnifying glasses, leaves changing colour.	Seasons of the year: Winter. Animal hibernation, why do some animals hibernate? How do other animals survive winter? Transport in the winter; snow ploughs, gritting roads, snow tyres. Changing state of matter; frost and ice- looking closely at ice, what happens when it warms? Why can we see our breath when it is cold?	The moon, the sun, the planets in our solar system, space travel, astronauts. Seasons of the year: Spring. The first signs of spring; snowdrops, cherry blossom, buds and flowers, birds nesting, bees, lighter evenings.	change as they grow. Life cycles of a butterfly and/or frog. Identify and draw the following animals and their babies including but not limited to: Sheep and Lamb Cows and Calf Horse and foal Butterfly and Caterpillar Frog and tadpole Dog and puppy Cat and kitten Plants; how they grow from seeds and bulbs. What plants need to grow. Identify parts of plants including roots, stem and leaves. Identify trees and plants growing locally on the school grounds or in local parks. Draw pictures of local plants.	days, light evenings, butterflies, bees, birds. Design a garden for the Queen; what could we grow? What would we include? Sketch some ideas and write about the design.	hats, sunglasses. Safety around water. Changing state of matter; Why do our ice lollies melt?
---	--	---	--	---	---

Expressive Arts and Design-Development Matters

Creating with Materials -Explore, use and refine a variety of artistic effects to express their ideas and feelings. -Return to and build on their previous learning, refining ideas and developing their ability to represent them.	Being Imaginative and Expressive Listen attentively, move to and talk about music, expressing their feelings and responses.
--	--

-Create collaboratively, sharing ideas, resources and skills	
	Watch and talk about dance and performance art, expressing their feelings and responses.
	Sing in a group or on their own, increasingly matching the pitch and following the melody.
	Develop storylines in their pretend play.
	Explore and engage in music making and dance, performing solo or in groups.

Expressive Arts and Design-PKC

All about Me	Transport: Past and Present	Space	Growing and Changing	Kings and Queens	Stories from the Past
Creating with Materials					
Exploring colour. Painting with primary colours. Mixing secondary colours. A study of Miro. Painting: portraits	Colour and the seasons. Exploring which colours show us different seasons. A study of Pissarro's season paintings. Cutting: snowflake design	Exploring line. Taking a line for a walk. Creating drip paintings like Jackson Pollock. Creating pictures like Hundertwasser using spirals and curved lines. Puppets: Chinese New Year	Exploring what we can see in the world around us. Studying how Van Gogh used different marks to draw still life. Looking at Lowry and drawing our own houses and "matchstick" people. Using the architecture of Hundertwasser to inspire us to draw imaginary houses. Design: making a boat that floats and another vehicle that moves with wheels Create: Easter bonnets	Animals in art. A study of Rousseau's "Tiger in a Tropical Storm". Painting real fish with ink and wax resist.	People in art. Looking at Degas' ballerinas. Practising drawing people. Creating clay sculptures of "Miro-like" people. Fashion: experimenting with fabric to design a suitable piece of sports wear
Being imaginative and expressive					

Rhythm, Pulse and Sound Composer: Wolfgang Amadeus Mozart, Allegro from A Little Night Music.
