TWHF Secondary Admissions Policy for Admission 2025-2026

This policy has been written on behalf of The White Horse Federation Schools (TWHF). Applications to attend a White Horse Federation School (WHF) are welcomed from all families. As the federation is a Multi-Academy Trust, the Directors of the trust are responsible for their own Admissions Policy and arrangements in line with the Admissions Code of Practice and the Local Authority's Admissions Schemes.

This policy refers to the following WHF Secondary Schools:

The Ridgeway School & 6th Form College – Swindon	Melksham Oak Community School – Wiltshire
Whitelands Academy – Oxfordshire	Devizes School & 6th Form – Wiltshire
John Madejski Academy (JMA) - Reading	

1. Admissions Procedures for Year 7 – September 2025

Students are admitted at age 11 without reference to ability or aptitude.

All applications must be made through the relevant Local Authority (LA) for each school.

In brief, each LA's scheme is outlined below:

- Parents will be able to make an online application. The online facility will be available from **1 September 2024** up until the deadline of **31 October 2024**.
- A standard written application form known as the Secondary Common Application Form (SCAF) can be used to apply if parents/carers are unable to apply online. To obtain an SCAF, parents/carers should call the relevant LA to request an SCAF to be sent to the home address.
- This form must be used to apply for the admission of pupils into the first year of secondary education in the specified year unless an online application has been submitted.
- Unless an online application has been made, the SCAF must be used as a means of expressing one or more preference by the parent wishing to apply for a school place for their child (either within or outside the county).
- The deadline date for applications is **31 October 2024**. All completed SCAF's are to be returned directly to the relevant LA at the address on the SCAF, by the deadline date. Any SCAF's which are incorrectly returned to schools must be forwarded to the relevant LA to be submitted by the deadline. Forms returned to schools and not received by the relevant LA by **31 October 2024** will be treated as late applications.
- Each LA will send out an acknowledgement in receipt for each SCAF and all online applications. Applicants will be advised to contact the relevant LA if they have not received an acknowledgement within 15 school days of posting their paper application.
- On **3rd March 2025** (Offer Day) if you applied online, you will be able to log into your portal account to view the outcome of the application. If you applied using the SCAF, letters will be posted out on Offer Day, so the decision letter will be received a few days after the Offer Day the 3rd March. Unsuccessful applicants will be informed by the school of their position on the waiting list.
- Those children not offered places at higher preferences will be placed on a waiting list and informed of their right of appeal.
- Parents / carers must **accept or refuse** the offer of place by **17th March 2025**.
- Appeals will be logged 20 days from the date of refusal and heard within 40 school days of the deadline for logging appeals.

Priority 6

Children other than those falling in category 1-5 above

Decider - (The straight-line distance calculated by OCC)

For admissions purposes for all schools where the LA is the Admissions Authority for the school that have adopted the LA’s measuring system, the straight-line distance from the home to school will be calculated. The start point of the measurement is the “seed point” of the home address. The “seed 7 point” is provided by the Ordnance Survey from information compiled from Royal Mail and Councils via Local Land and Property Gazetteer (LLPG). The seed point normally falls within the bounds of a property. The accuracy of seed points is to the nearest ten centimetres and uses the Bristol Coordinate System (Easting/Northing). It is possible to move the location of an individual seed point, but this is not necessary for most addresses in Oxfordshire and surrounding areas. The end point of the straight-line distance will be determined by the Admission Authority for each school. Where the LA is not the Admissions Authority, the relevant Admissions Authority will provide the determined end point to the LA. The calculation of the distance will be made in meters using a Pythagoras calculation. This calculation will be converted into miles by dividing the distance by 1609.344 to achieve a distance in miles accurate to 3 decimal places. For address outside the British Coordinate System an internet mapping solution will be used to determine a start point using longitude and latitude via www.getlatlong.net. A straight-line distance will then be calculated to the end point of the school in statute miles using www.nhc.noaa.gov/gccalc.shtml

If the distance “tie break” produces an identical result for two or more applicants and these applicants live at different addresses and are not children of a multiple birth, the LA will use random allocation to determine who will be offered a place.

A child who has a statement of special educational need or an Education Health and Care Plan is required to be admitted to the school names on the child's statement.

Priority 1

A "looked after child" or a child who was previously looked after but immediately after being looked after became subject to an adoption, child arrangements, or special guardianship order (90) including those who appear (to the admission authority) to have been in state care outside of England and ceased to be in state care as a result of being adopted. Priority 2

JMA admits up to 10% of 180 students (18) each year by reference to aptitude in its chosen specialism – sport. Arrangements for selecting these students will be fair and transparent, building upon expertise gained in applying such tests in other establishments with a sports specialism. Priority for these places will be as follows:

- Students applying for the sports specialism will undertake a series of tests to determine their aptitude in sport and will enter the "Gifted and Talented Program". Tests will include assessments of strength, agility, balance, flexibility, speed, co-ordination, reaction time and cardiovascular efficiency. Tests will be moderated according to the physical profile of each student. Priority in this category will be given to applicants who have the best performance scores.

90 An adoption order is an order under the Adoption Act 1976 (see Section 12 adoption orders) and children who were adopted under the Adoption and Children Act 2002 (see Section 46 adoption orders) A "child arrangements order" is an order settling the arrangements as to the person with whom the child is to live under Section 8 of the Children Act 1989 as amended by Section 14 of the Children and Families Act 2014. Section 14A of the Children Act 1989 defines a "special guardianship order" as an order appointing one or more individuals to be a child's special guardian (or special guardians)

Priority 7

Children other than those falling into priority 1-5 above.

Decider

Priority within each category will be determined by distance from the school to home address.

Reading School Admissions Team measure the straight-line distance from the home to the school using Ordnance Survey data points of the home and the school using computerised software from Reading Borough Council. Every address has a unique data point which is determined by the Eastings and Northings. This point can be anywhere on the property. This distance created is given in miles to 3 decimal points.

At Age 16 and Over

If you wish to apply for Sixth Form at JMA, please see below link to school website for further information.

1. Definitions and Details

Students with Education, Health and Care Plan (EHCP)

Pupils with an Education, Health and Care Plan (EHCP) at the time of allocation are required to be admitted to the school named on their plan. Once an EHCP reaches the formal proposed stage the administration of the admission of the young person becomes the responsibility of the Special Educational Needs Assessment Team (SEND) at which point this policy no longer applies.

Child Looked After

A “looked after child” or a child who was previously looked after but immediately after being looked after became subject to an adoption, child arrangements, or special guardianship order (90) including those who appear (to the admission authority) to have been in state care outside of England and ceased to be in state care as a result of being adopted. A looked after child is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services function (see the definition in Section 22(1) of the Children Act 1989)

Siblings

A sibling is defined as a child attending the preferred school at the same time as he or she is due to be admitted, who is a:

- Brother or sister
- Half brother or sister
- Adopted brother or sister
- Stepbrother or sister
- The child of the parent / carer’s partner where the child for whom the school place is sought is living in the same family unit at the same address as the sibling.

Where the sibling of a child making the application is under assessment for a Statement of Special Educational Needs or Education Health and Care Plan, then they will be counted as a sibling from the time that the school is named on the final plan.

Catchment Area

A catchment area is a geographical zone served by a school. The address that determines a child’s designated area is the place where s/he is ordinarily resident with his/her parent(s) or legal guardian(s). Most schools have a catchment area but some address fall within areas shared by two or more schools.

Children of Staff

Children of staff are defined as employees being on the permanent payroll of The White Horse Federation as a place of work for at least two years prior to the date of application and/or having been recruited to fill a vacant post for which there is a demonstrable skill shortage. Children of staff includes stepchildren, foster children and children of co-habiting partners living as a family unit. The completion of a supplementary form is required for consideration under this oversubscription criteria (see Appendix 1)

Supplementary Information Form (SIF)

A Common Application Form (CAF) must be completed by all parents applying for admission to Year 7. All parents who list their preferred schools on the Local Authority/s CAF are regarded as having made a valid application. A Supplementary Information Form (SIF) is attached to this policy (Appendix 1) and must be completed for children applying under priority 4 of the admissions criteria.

Parents / Carers

A parent is any person who has parental responsibility for or is the legal guardian of the child.

Home Address

The home address is where a child normally lives. Where a child lives with parents with shared parental responsibility for part of the week, the address where the child lives is determined using a joint declaration from the parents stating the pattern of residence. If a child’s residence is split equally between both parents, the parents will be asked to determine which residential address should be used for the purpose of admission to school. If no joint declaration is received where the residence is split equally by the closing date for applications, the home address will be taken as the address where the child is registered with the doctor. If the residence is not split equally between both parents, then the address used will be the address where the child spends the majority of the school week.

Late Applications

All applications received by the LA after the deadline date will be considered to be a late application. Late applications will be considered after those received on time. If, following consideration of all applicants the school is oversubscribed, parents may request that their child is placed on the school’s waiting list.

2. Admission of children outside their normal age group

The School considers carefully requests for admission outside a normal age group and decides based on the circumstances of each individual case. The circumstances may for example involve the exceptionally high level of ability of a child, or personal or medical circumstance that have necessitated a student missing all or part of a year of education. For further information, please see Appendix 5 for each LA's policies.

3. Waiting Lists

The school will operate a waiting list. Where the school receives more applications for places than there are places available, a waiting list will operate until the end of the academic year. This will be maintained by the Academy Trust and it will be open to any parent to ask for his or her child's name to be placed on the waiting list, following an unsuccessful application.

Children's position on the waiting list will be determined solely in accordance with the oversubscription criteria. Where places become vacant, they will be allocated to children on the waiting list in accordance with the oversubscription criteria. The waiting list will be re-ordered in accordance with the oversubscription criteria whenever anyone is added to or leaves the waiting list.

4. Appeals Procedure

Parents have a right of appeal to an independent panel against any decision made by the governors regarding the admission of their child. Information about the appeal procedures will be provided where a place at a TWHF school has been refused. Applicants should contact the Admissions Team at the relevant LA

5. Applications at other times of the year (In-Year Applications)

For the academic year 2025/26, TWHF will delegate the consideration of In-Year Transfer Applications to the relevant LA's (Oxfordshire County Council – OCC, Reading School Admissions Team, Swindon Borough Council – SBC and Wiltshire LA School Admissions)

For further information and applications to be admitted to a WHF School outside the normal admissions round, please see Appendix 6 for links to each LA.

Appendix 4: JMA - Outline Arrangements for Aptitude Testing for Sport.

It is anticipated that students may apply for entry under the selection arrangements at three levels:

- **Students with an international, national, or elite profile in a chosen sport.**
Students at this level would not need to be tested for aptitude. They would be identified through a national sports body; they would have a nominated coach and training profile. They are likely to be undertaking 20+ hours of training a week. It is not anticipated that many 10-year-old students applying for Year 7 entry would be in this category, however, it may apply to students wishing to apply to sixth form.
- **Students at county level or local equivalent.**
The Students would have membership of a recognised club and be involved in their young athlete programme. E.g., Reading Football Club. The student would have their own coach, a training programme involving 10+ hours of training a week. It is anticipated there will be some students at age 10 who will fall into this category as we all students applying for sixth form. These students may not require testing if they can provide a letter of recommendation from a recognised coach and a portfolio of their training structure that follows a recognised programme.
- **Other Students.**
Students in this category will require aptitude testing and will enter the Young Athlete Programme on entry. In consultation with the Sponsor, Principal and Director of Sport, there are at least 3 suggested testing routes:
 - Multi Skills Test – testing a variety of generic skills; problem solving, thinking skills, organisational ability, communication skills and leadership skills. Designed through the specialism.
 - Fundamental skills in sport e.g., gliding, balancing, kinaesthetic awareness, buoyancy, agility, speed, fitness.

Consideration will need to be given to differences between boys and girls, particularly age 10 when applying these tests and a balance to give equal opportunity developed. Boys tend to have better speed and endurance, while girls are more kinaesthetically aware and have better balance.

Consideration also needs to be given when applying tests at age 10 to those children in their year groups who have birthdays in September and July.
