Personal, Social, Health and Economic Education (PSHE)	Changing Me

Our PE days are:

Pullman - Tuesdays and Wednesdays

Binch – Tuesdays and Fridays

Online homework: My Maths, Spelling Shed, Boom Reader and Times Tables Rocketarc

Times Tables Practice

By the end of Year 4, pupils should be able to recall their times tables fluently, which is essential for future success in mathematics. We would greatly appreciate your support with helping your child practice and learn their times tables up to x12. Daily practice is best. This does not need to be a long time; just 5 minutes a day can make all the difference. Your child should have a Times Tables Rockstars account where they can access plenty of games and activities to support their learning. If your child can confidently recall all facts, they should challenge themselves to know the corresponding division facts. If you have further questions, please do not hesitate to contact your child's class teacher.

Daily Reading/Boom Reader

Just 10 minutes a day of reading can boost your child's confidence and understanding in reading. When reading with your child each day try asking questions that will help improve their comprehension skills. See examples below. After you have read with our child, please record this on the Boom Reader app.

Download the app and find out more at:
