What is Collage?

Collage is regarded as a work of visual arts made from an assemblage of different forms, thus creating a new whole. Use of this technique made its dramatic appearance among oil paintings in the early 20th century as an art form of ground-breaking novelty..

How to make a collage?

Many modern collages are made by placing electronic images on a digital background. Other methods include using cut-out images and text to glue onto paper or sticking items such as sand, shells and plants onto paper. Collages are limited only by your imagination.

What impact has David Hockney had on art?

Hockney is rated as one of the most influential artists of all time. His work has played a crucial role in reviving the practice of figurative painting. Even today he continues to reinvent himself, embracing

Key Facts

Born in Bradford, Yorkshire he went to Bradford Grammar School and then attended Bradford College and the Royal College of Art in London

As a young man, Hockney was a conscientious objector – meaning he refused to complete his National Service in the army. He spent two years as an orderly at St Luke's Hospital in Bradford instead.

Hockney was one of the big artists involved in the pop art movement in the 1960s.

Lots of Hockney's work involves painting people he loves. This is usually pairs of people. *My Parents* is a painting of his mum and dad and is probably one of his most famous.

Hockney lives in London, but owns two other homes in California meaning his work varies. When painting in England, he likes to paint the seasons, in California his paintings are bright and bold.

Hockney is still painting and trying lots of new experiments with art. Some of his most recent work includes painting on iPads.

The Tate Gallery says he is 'perhaps the most popular and versatile British artist of the 20th century'
