

## Geography Vocabulary

Vocabulary children should use:

	EYFS	Year 1	Year 2	Year 3	Year 4	Year 5	Year 6
	near	North	Oceania	mantle	Peak	Rocks	algae
	above	South	South America	Diet	Record	Arches	anemone
	towards	East west	building	Accent	Mountain	Stacks	arid
	across	English Channel	Atlantic Ocean	volcano	ranges	coordinates	Australia
	under	Daily	South Pole	earthquake	Tourism	Impact	bioluminescent
	underneath	Capital city	language	Dialect	Altitude	Inland	biomes
	along	West	atlas	Lake	Flora	Deposition	Consumer /
	down	Birds eye view	Great Britain	crust	trade partner	urban	Consumption
	opposite	Sleet	Similarities	City	North-west	Coast	coordinates
	around	Globe	Differences	Cathedral	tropical	vegetable	coral
	outside	Compass	Unique	Valley	Reservoirs	Meander	currents
	over	Blizzard	Features	tsunami	currency	abattoir	Earth
	from	England	Northern Ireland	Council	customs	rainfall	environmentalist
	behind	Cardiff	Physical	Region	Gradient	Greenwich	evolution
	inside	Scotland	London	convergent	Vegetation	Employment	fishing
	below	Summer	map	continental drift	exchange	Economy	food systems
	through	Snow	Indian Ocean	Language	Condensation	Erosion	food web
		Spring	Arctic Ocean	Mountain	Adaptation	River Thames	Fossil fuel
		Fog	Pacific Ocean	Landmark	Landform	rural	Fuel
		Sun	Human	Foreign	West	sow	Global warming
		Wind	Oceans	core	trading	import	grassland
		North Sea	Climate	Population	Fauna	Environmental	Great Barrier
		Autumn	Kenya	Tourist	Northern	crops	Reef
		Hail	Equator	divergent	Hemisphere	fruit	Greenhouse
		Wales	Asia	Loch	import	export	gases /
		Frost	Antarctica	plate tectonics	Vapour	northeast	Greenhouse
		Edinburgh	Southern Ocean		trade	harvest	effect
		Winter	landmarks		Steepness	organic	grid reference

		United Kingdom Storm Map Country Warm Symbols Cloud Cool Showers Cold Irish Sea Gale Rain Hot Weather Human and physical features capital Northern Ireland Direction London flag Key Seasons Great Britain East Belfast Thunder Meteorologist Temperature Rainbows Drizzle	North America Europe Nairobi compare nation Continents Africa North Pole famous direction contrast border		Mountain Observe Plateau mountain export Dome mountain Climate zone Measure Precipitation Agricultural Ascend Mountainous Grid reference Descend Environment Climate Land use Amazon rainforest Southern Hemisphere Trade The Tropics of Cancer and Capricorn Impact Deforestation	Settlement Tide acres Coastal settlement precipitation counties soil Recreation Bay Costal line demand Headland Meridian Erode grid reference pesticides packaging Cliff southeast produce Caves evaporation Climate Source Pollution Rock formation seed water cycle Mouth Process current	layers Mariana Trench marine marine life midnight zone Northern Hemisphere Nuclear / Nuclear waste overfishing plankton plastic polar Polar ice caps Production Queensland rainforest Renewable /non-renewable energy Resource savannah Sea level seaweed Southern Hemisphere sunlight zone Tectonic plates temperate terrestrial The Abyss trenches
