WEEKLY ROUND-UP

Friday 13 November 2026

HEADTEACHER UPDATE

Dear Parents and Carers,

It has certainly started to feel much colder this week as we head further into autumn and winter approaches. Please could we remind everyone to make sure children come to school with a warm coat each day, which is named. We aim to get outside as much as possible, whatever the weather, so having a coat will help ensure everyone stays warm and comfortable during outdoor play.

This week, we also came together as a whole school to mark Remembrance Day. Remembrance Day is a time when we pause to remember and honour all those who have lost their lives in wars and conflicts, as well as those who have served and continue to serve in the armed forces to protect others. It is also an opportunity to think about the importance of peace, freedom and the sacrifices made by so many people so that we can enjoy the lives we have today.

As a whole school, we gathered under the clock on the playground and observed two minutes of silence to show our respect and remember those affected by war. We also listened to some thoughtful and moving poems read beautifully by a group of our Year 6 children. It was a lovely opportunity for everyone to reflect on the meaning of Remembrance Day and consider the importance of kindness, gratitude and peace. We were incredibly proud of the maturity and respect shown by all the children.

Alice Nash
Deputy Headteacher

ATTENDANCE INFORMATION

Attendance Information

Attendance is a key priority for our school this term. We want to ensure that all children's attendance percentages are in line or above national average of 97%. Children with an attendance of 97% above are more likely to be happier attending school, make better progress and eventually achieve better in formal exams. Please see below how even missing a few days of school can lead to many hours of learning missed.

Holidays in term time

This is a reminder that we will not be authorising any leaves of absence in term time unless for exceptional circumstances. Last academic year we had issued 20 fixed penalty notices (fines) to families taking holidays or leaves of absence in term time. Missing large periods of education consecutively has a large impact on children's understanding of key concepts and can lead to large gaps in learning. Thanks for your understanding and cooperation on this matter.

Yearly Attendance	Days Missed	Hours Missed
100%	0	0
97%	6	30
95%	10	50
90%	20	100
80%	40	200

How attendance can affect your child's learning!

Need to update contact details?

Please could we request if you have changed any of your contact details including mobile number/email or home address, please can you update this on the Arbor app.
If you have difficulties accessing Arbor, please contact main reception.

Parking

A friendly reminder to please refrain from parking on double yellow lines or zig zag markings. Doing so poses a danger to our children as they enter and leave the school premises.

Additionally, we kindly ask that disabled badge holders avoid parking in these restricted areas.
If you hold a disabled badge and require proximity to the school for accessibility reasons, please reach out to our office. We're here to support you in finding suitable parking arrangements.

Reminder to be respectful when parking in Ella Garett Close. We have had complaints from the neighbours of badly parked cars, which are blocking access and providing safety issues for residents and our students.

REMINDERS & INFO FOR PARENTS

Uniform

Could we please ask Parents/Carers to make sure all uniforms are clearly labelled.
Nearly all the uniform emptied from the lost property bins is unnamed, making it impossible to return to the rightful owners.

School Lunches

Parents are now able to cancel and book school dinners up to **8am in the morning**. Please remember to order for your child before this time and cancel any meals not required should your child be absent for the day; you will still be charged if meals aren't cancelled.

Desserts no longer show on the parentpay app as pupils can select their pudding at lunch time.

Meals should only be ordered by the school office on the rare occasion that you may have forgotten to order. Please note the office are now only able to order jacket potato with beans.

We are still experiencing a high number of pupils every day that have no school dinner ordered – if this continues, we will phone parents to bring in a packed lunch so could you ensure you have booked for the week ahead.

Please speak to the school office if you need a reminder of how to order through Parent Pay.

Please remember we are a nut free school (this includes no chocolate spread as this contains nuts) – Please provide your child with healthy snacks for break times.

Mobile Phone Policy

This statement outlines the Trust's position on mobile phone use by children to ensure a safe, focused and respectful learning environment. It supports safeguarding, reduces distractions, and promotes positive social interaction.
