

# THE PALMER ACADEMY WEEKLY ROUND-UP

**Edition 102**

**Friday 5th July 2024**

## Dear Parents and Carers,

We are delighted to share the success of the transition morning on Wednesday! It was a fantastic opportunity for the children to meet their new teachers and participate in fun and engaging activities. Our pupils had the chance to spend time with their new teachers, who warmly welcomed them into their future classrooms. This initial meeting has helped to ease any anxieties and build excitement for the upcoming school year.

The morning was filled with a variety of activities designed to be both fun and educational. Students participated in team-building games, creative arts and crafts, and interactive learning stations. These activities not only entertained the children but also fostered collaboration and creativity.

Both students and teachers have shared positive feedback about the transition morning. The children loved the chance to meet their new classmates and teachers in a relaxed and enjoyable setting. Teachers appreciated the opportunity to get to know their new students better, setting the stage for a smooth and successful school year.

We want to bring to your attention an important safety concern. Recently, there has been an increase in the number of strangers present around our local area. To ensure the safety of all our students, we urge you to speak to your child about the importance of not talking to strangers. Here are some key points to discuss with your child:

- **Do Not Engage:** Advise your child to avoid engaging in conversation with strangers.
- **Stay in Groups:** Encourage your child to stay with friends or trusted adults when outside.
- **Seek Help:** If approached by a stranger, your child should seek help immediately from a trusted adult, teacher, or police officer.
- **Report Suspicious Activity:** Teach your child to be aware of their surroundings and to report any suspicious activity to a trusted adult.

We ask for your cooperation in keeping our community safe. If you notice any concerning individuals or activities around the school, please report it immediately to the school administration or local police.

Your vigilance and prompt reporting can make a significant difference in ensuring the safety of all our students.

### **Palmer's Got Talent**

We are all very excited about our exciting talent show this Summer - "Palmer's got Talent". The children will be having auditions in their classrooms in the week beginning 17<sup>th</sup> June, so any talent your child would like to showcase they need to let their class teacher know. All talents welcome – from magic to singing, to football skills to gymnastics. 2 acts will be selected from each class to represent their classes in the talent show final on 19<sup>th</sup> July. We can't wait to see the talents the Palmer Academy has.

### **Uniform**

Could we please ask Parents/Carers to make sure all uniforms are clearly labelled. Nearly all the uniform emptied from the lost property bins is unnamed, making it impossible to return to the rightful owners.

### **School lunches**

Parents are now able to cancel and book school dinners up to 9am in the morning. Please remember to order for your child before this time and cancel any meals not required should your child be absent for the day, you will still be charged if meals aren't cancelled. Meals should only be ordered by the school office on the rare occasion that you may have forgotten to order. We are still experiencing a high number of pupils every day that have no school dinner ordered – if this continues we will phone parents to bring in a packed lunch so could you ensure you have booked for the week ahead. Please speak to the school office if you need a reminder of how to order through Parent Pay.

**Please see attached menu for Paris Olympics themed day menu for 22<sup>nd</sup> July 2024**

**From 4<sup>th</sup> November 2024 Meal prices are changing to £2.57**

### Attendance Information

Attendance is a key priority for our school this term. We want to ensure that all children's attendance percentages are in line or above national average of 97%. Children with an attendance of 97% above are more likely to be happier attending school, make better progress and eventually achieve better in formal exams. Please see below how even missing a few days of school can lead to many hours of learning missed.
