THE PALMER ACADEMY WEEKLY ROUND-UP

Dear Parents and Carers,

What an exciting start to the term it has been! This week, we were thrilled to welcome our new nursery children as they began their journey with us. They have settled in beautifully, exploring their new environment with curiosity and confidence. We are so proud of the fantastic start they've made and look forward to watching them grow and thrive.

We also had the pleasure of welcoming potential new families to our school during our Open Day. It was wonderful to share the warmth and vibrancy of our community and showcase the incredible learning opportunities we offer. Thank you to everyone who helped make the day such a success.

The Importance of Early Years Education

The early years are a crucial time in a child's development. High-quality early education lays the foundation for lifelong learning, fostering independence, creativity, and social skills. At our school, we are committed to providing an environment where every child feels safe, valued, and inspired to learn.

Video: A Day in the Life of Reception

Please see the link to our video that captures a typical day in Reception. It's a wonderful glimpse into the engaging activities and nurturing experiences that shape our children's learning. Thank you to our children who were the stars in this video which was filmed last summer.

Attendance Information

Attendance is a key priority for our school this term. We want to ensure that all children's attendance percentages are in line or above national average of 97%. Children with an attendance of 97% above are more likely to be happier attending school, make better progress and eventually achieve better in formal exams. Please see below how even missing a few days of school can lead to many hours of learning missed.

Holidays in term time

This is a reminder that we will not be authorising any leaves of absence in term time unless for exceptional circumstances. This academic year we have already issued 20 fixed penalty notices (fines) to families taking holidays or leaves of absence in term time. Missing large periods of education consecutively has a large impact on children's understanding of key concepts and can lead to large gaps in learning. Thanks for your understanding and cooperation on this matter.

Yearly Attendance	Days Missed	Hours Missed
100%	0	0
97%	6	30
95%	10	50

Attendance Raffle

You must be in it to win it! If you attend school every day you will automatically be put into our attendance raffle which will be drawn on a Friday afternoon. A winner from each class will be selected and win a special prize. We are also now holding a half term raffle for those children who have 100 percent attendance where they can win prizes such as amazon vouchers, Roblox points, art kits and pencil cases. All the children have to do to be in with a chance of winning is to be in school every day!

Johnson - Red is the winning house. - Congratulations!

Parking

A friendly reminder to please refrain from parking on double yellow lines or zig zag markings. Doing so poses a danger to our children as they enter and leave the school premises. Additionally, we kindly ask that disabled badge holders avoid parking in these restricted areas.

If you hold a disabled badge and require proximity to the school for accessibility reasons, please reach out to our office. We're here to support you in finding suitable parking arrangements.

Uniform

Could we please ask Parents/Carers to make sure all uniforms are clearly labelled.

Nearly all the uniform emptied from the lost property bins is unnamed, making it impossible to return to the rightful owners.

School lunches

Parents are now able to cancel and book school dinners up to 9am in the morning. Please remember to order for your child before this time and cancel any meals not required should your child be absent for the day, you will still be charged if meals aren't cancelled. Meals should only be ordered by the school office on the rare occasion that you may have forgotten to order. Please note the office are now only able to order jacket potato with beans and fresh fruit for pudding. We are still experiencing a high number of pupils every day that have no school dinner ordered – if this continues, we will phone parents to bring in a packed lunch so could you ensure you have booked for the week ahead. Please speak to the school office if you need a reminder of how to order through Parent Pay.

Please remember we are a nut free school (this includes no chocolate spread as this contains nuts) – Please provide your child with healthy snacks for break times.

Keeping Children Safe Outside of School

As children take part in activities beyond the classroom—whether it's sports clubs, tuition, or community groups—it's vital that parents and carers feel confident about their safety. The UK Government provides guidance to help you understand what safeguarding measures should be in place in out-of-school settings, including checks on staff, clear procedures for raising concerns, and safe environments for learning and play. The NSPCC also offers practical advice for choosing safe sports clubs, such as ensuring there is a welfare officer, safeguarding-trained staff, and appropriate supervision. Don't hesitate to ask questions—organisations should welcome your interest in your child's wellbeing. For more information, visit the [Government guidance](#) 1 and the [NSPCC's Keeping Your Child Safe in Sport page](#)2.

New Reading Books for Home!

We're excited to share that we have new reading books available for children to take home and enjoy. As part of helping children develop a love for reading, we also want to teach them how to care for books responsibly. To ensure every child has access to these resources, we kindly ask that books are returned in good condition. If a book is not returned or is damaged beyond use, we will request a £5 contribution to help replace it. Thank you for your support in looking after our reading book collection.

ROCKSTEADY MUSIC

If you are interested in your child joining the Rocksteady music club which is during school hours on Mondays, please can you use the link below to sign up.

The link for the parents to sign up is [Home - Rocksteady Music School](#).

Cold Weather Safety Reminder

As the weather becomes colder, we kindly remind all parents, carers, and visitors to take extra care when entering the school grounds.

- The school will endeavour to grit and de-ice pathways where possible.
- Despite these efforts, surfaces may still be slippery, so please walk carefully.
- Your caution helps keep everyone safe during the winter months.

Thank you for your cooperation and understanding

Dogs on School Premises

For the safety and comfort of all our pupils, staff, and visitors, we kindly remind you:

- Dogs are not permitted on school grounds.
- All dogs must remain outside the school boundary at drop-off, pick-up, and during any school events.
- Service dogs are welcome and are exempt from this restriction.

We appreciate your cooperation in helping us maintain a safe and welcoming environment for everyone

Roblox and Parental Controls - South West Grid for Learning

Roblox, the popular Minecraft 'style' game has announced a new raft of parental controls. The website which ranks among the most popular games for children in the e-space, has previously been accused of possessing weak child protection tools. Their new raft of adaptations is important due to the game's position among school aged children. The new features have been adopted to allow parents to take control of their children's game time in a more comprehensive manner.

Parents will now be able to block individuals who communicate with their children, as well as have more detailed oversight over their usage of the programme. Real-time awareness measures have been increased, and these changes represent a big step forward in making popular multiplayer games more secure for underaged users.

If interested, the South-West Grid for Learning (SWGfL) has produced a comprehensive run down of these changes. Please follow the link below for more:

Reading Family Hubs - Brighter Futures For Children

In Reading, we are working together to support children, young people and families

Our aim is to make sure everyone gets the right help at the right time, so that children can thrive and reach their potential.

We want this support to be available as close to home as possible. That's why we are developing **Best Start in Life Family Hubs** across Reading.

Family Hubs will offer information, advice and support for different stages of family life:

- from pregnancy and early years
- through childhood
- and into the teenage years, up to age 19 (or 25 for young adults with special educational needs or disabilities).

Hub co-design

We are designing the hubs together with our partners in health, employment, training, housing and the voluntary sector. Most importantly, we are listening to what children, young people and caregivers tell us they need.

We'd love to hear your ideas.

Please share your views through our online surveys

Children and young people – take part in the survey [here](#)

Are you aged up 19 (or up to 25 if you have additional needs) and living in Reading? Please tell us what kind of support you would like to receive that would mean you feel happy, safe, and well in your community.

Parents and carers – take part in the survey [here](#)

We're inviting input from parents and carers across Reading to help us make sure our new hubs offer the right services for you and your family.
