

September 2022

Dear Parents (if others bring or collect your child/ren to school please make sure they see this letter)

Please see below for a new term reminder re. parking. Please avoid parking on the corner by the pink house. This blocks the road and makes visibility very difficult for residents leaving Cam Lane. **Please always ensure your parked car allows for pedestrians and pushchairs to get through safely.** Children and pushchairs must NEVER be forced into the road. If using Brearelands please be considerate of residents. We are aware that parking is very difficult, and we request that you do not drive up Cam Lane as there are no footpaths and the safety of our children is the **number one priority.** We are **very grateful** to everyone who takes the time to park responsibly even when this involves a walk to school. Some notes highlighting areas of private land are detailed below. Please do not reverse onto drives or block access. Please park at the bottom of Booth Bridge Lane, not at the top where it narrows. **Thank you.**

- ✓ Parking is available at the church – a **huge THANK YOU** to those that do so.
- ✓ Parking is available down Booth Bridge Lane but please do not park at the top blocking access to the cottages.

Around the Lough tree: This is all PRIVATE land and used for access. No parking.

These yellow lines are regularly monitored by traffic wardens.

Please do not block this driveway or **use it to turn.**
