Dear Parents

It has been lovely to welcome the children and yourselves as well as grandparents back to school this week. It has been a busy week for the children getting back to routine, some different classes and welcoming new children to the school.

Any school's priority is the children: giving them a good education and keeping them ALL safe. For this reason, we have invested in the new signs that are now at the bottom of Cam Lane on the single yellow lines. When cars are parked on the ends of the road not only is it difficult for anyone in a car to get out onto a busy road but also people walking struggle to get past with their children to their own cars or to walk home if they live in the village.

To keep ALL children safe please can I ask you not to park anywhere that will cause a danger to children; where the new signs are, between the signs or on a single yellow line where visibility becomes restricted. These measures are designed to reduce the chances of an accident occurring.

Many thanks to all parents who have chosen to park in other locations.

As always, my door is open if you would like to discuss this further.

Kind regards

Miss Suzie Brown
