Statement of intent

At Three Counties Academy Trust (TCAT), we want to invest in our staff and provide them with a secure and long-lasting relationship as employees of their school and TCAT. However, it may at times be necessary for a colleague to raise a grievance against another colleague. Additionally, it may be necessary to investigate an incident which may could lead to mediation or to disciplinary proceedings being followed. In this event this policy will be followed in managing the process and procedure of a disciplinary process.

The purpose of this policy is to set out the framework and principles for the management of the grievance procedure for staff in TCAT schools.

We understand that having a grievance raised can be daunting for all concerned. This policy clearly sets out the procedure and has been approved by unions.

All TCAT employees are covered by this policy as TCAT uses Hoople HR as our provider for HR support as appointed by the Trust Board.

This policy applies to both teaching and support staff members in TCAT schools and takes account of the differing terms and conditions.

The procedures within this policy document will be followed as prescribed.

To that effect, we subscribe to and promote the Grievance Policy and Procedures (HR004) as set out by our HR partners Hoople and used across the county of Herefordshire. The latest version of this policy will be the version used if and when need arises.

The latest (HR004) Grievance Policy and Procedures can be obtained on request from the TCAT Central Team or from the Headteacher/Head of School and is the full and unabridged version as ratified by Hoople and adopted by the TCAT Trust Board.
