Statement about the processing of biometric data

This statement confirms that, at Three Counties Academy Trust, which includes the academies listed in the table at the foot of this statement, we do not store or process any form of biometric data, such as fingerprints or retina scans.

The Trust Board and Data Protection Officer (DPO) will review this statement on an annual basis. The next scheduled review date for this statement is 31st August 2023.

If the Trust does decide to store or process biometric data in any of our academies, a policy will be implemented for the processing of such data, which would be made available on the Trust and individual academy websites. Any changes made to the Trust's position on the processing of biometric data will be clearly communicated to all staff, parents, and pupils.

If you have any questions about this statement, please contact the DPO via the Trust Offices by contacting jlilleyattwell@tcat.school.
