1. Aims & Academy behaviour statement and behaviour principles

This policy aims to:

- Create a positive culture that promotes excellent behaviour, ensuring that all pupils have the opportunity to learn in a calm, safe and supportive environment
- Establish a whole-school approach to maintaining high standards of behaviour that reflect the values of the school
- Outline the expectations and consequences of behaviour
- Provide a consistent approach to behaviour management that is applied equally to all pupils
- Define what we consider to be unacceptable behaviour, including bullying and discrimination

At Thrunscoe Primary & Nursery Academy we follow one overarching rule, linked specifically to our vision and values, so that we can SHINE, be happy and be safe:

THE 'THRUNSCOE RULE':

So that we can 'ALL SHINE', the words and actions we use will not disrupt, upset, annoy or harm others.

Following one rule provides a simple message of expectation that:

- Can be easily understood by all pupils, parents and staff;
- Can be easily and consistently implemented on a day to day basis;
- Provides complete transparency of our decision making related to rewards and sanctions.

These high expectations of behaviour, combined with the friendly and supportive ethos of the academy, help to provide an environment where everyone can feel happy and safe and in turn be able to learn and work most effectively.

Written statement of behaviour principles

- Every pupil understands they have the right to feel safe, valued and respected, and learn free from the disruption of others
- All pupils, staff and visitors are free from any form of discrimination
- Staff and volunteers set an excellent example to pupils at all times
- Rewards, sanctions and reasonable force are used consistently by staff, in line with the behaviour policy
- The behaviour policy is understood by pupils, staff and parents / carers
- The suspensions and exclusions will only be used as a last resort
- Pupils are helped to take responsibility for their actions
- Families are involved in behaviour incidents to foster good relationships between the academy and pupils' home life
- The governing board also emphasises that violence or threatening behaviour will not be tolerated in any circumstances

2. Legislation and statutory requirements

This policy is based on legislation and advice from the Department for Education (DfE) on:

- [Behaviour in schools: advice for headteachers and school staff](#)
- [Preventing and tackling bullying: advice for headteachers, staff and governing bodies](#)
- [Searching, screening and confiscation: advice for schools](#)
- [The Equality Act 2010](#)
- [Keeping Children Safe in Education \(KCSIE\)](#)
- [Suspension and permanent exclusion from maintained schools, academies and pupil referral units in England, including pupil movement](#)
- [Restrictive interventions, including the use of reasonable force, in schools](#)
- [Supporting pupils with medical conditions at school](#)
- [Special Educational Needs and Disability \(SEND\) Code of Practice](#)
- [Sharing nudes and semi-nudes: advice for education settings working with children and young people](#)

In addition, this policy is based on:

- Schedule 1 of the [Education \(Independent School Standards\) Regulations 2014](#); paragraph 7 outlines a school's duty to safeguard and promote the welfare of children, paragraph 9 requires the school to have a written behaviour policy, and paragraph 10 requires the school to have an anti-bullying strategy
- [DfE guidance](#) explaining that academies should publish their behaviour policy and anti-bullying strategy
- This policy complies with our funding agreement and articles of association.

3. Definitions

Misbehaviour is defined as:

- Disruption in lessons, in corridors between lessons, and at break and lunchtimes
- Non-completion of classwork or homework
- Poor attitude to learning, staff and other pupils / or adults
- Incorrect uniform
- Bringing items in from home such as playing cards, toys, soft toys, 'fidgets' etc. where permission has not been sought and granted.

Serious misbehaviour is defined as:

- Any form of child-on-child abuse, including but may not be limited to:
 - Bullying
 - Abuse in intimate personal relationships between children
 - Physical abuse
 - Sexual violence, such as rape, assault by penetration, or sexual assault (intentional sexual touching without consent)
 - Sexual harassment, meaning unwanted conduct of a sexual nature, such as sexual comments, physical behaviour, and online sexual harassment
 - Causing someone to engage in sexual activity without consent
 - Upskirting
 - Initiation/hazing type violence and rituals
 - Consensual and non-consensual making or sharing of nudes and semi-nudes, including those generated using AI
- Misogyny/misandry
- Vandalism
- Theft
- Fighting
- Smoking
- Racist, sexist, homophobic or discriminatory behaviour
- Possession of any prohibited/banned items. These are:
 - Knives or weapons
 - Alcohol
 - Illegal drugs
 - Stolen items
 - Tobacco and cigarette papers
 - E-cigarettes or vapes
 - Fireworks
 - Pornographic images
 - Any article a staff member reasonably suspects has been, or is likely to be, used to commit an offence, or to cause personal injury to, or damage to the property of, any person (including the pupil)

NB: It is important to state that these behaviours could also be an alert to potential safeguarding issues. All such issues are recorded on CPOMs by staff and DSL / Deputy DSLs informed.

The academy recognises that changes in behaviour may be an indicator that a pupil is in need of help or protection. We will consider whether a pupils' misbehaviour may be linked to them suffering, or being likely to suffer, significant harm. Where this may be the case, we will follow our child protection and safeguarding policy, and consider whether pastoral support, an early help intervention or a referral to children's social care is appropriate.

Please refer to our child protection and safeguarding policy for more information ([link](#))

All staff are up to date with Safeguarding Training ('Keeping Children Safe in Education'. September 2024).

4. Bullying

Bullying is defined as behaviour by an individual or group, repeated over time, that intentionally hurts another individual or group either physically or emotionally.

Bullying can involve an imbalance of power between the perpetrator and the victim. This could involve perpetrators having control over the relationship, which makes it difficult for those they bully to defend themselves. The imbalance of power may be physical, psychological, derive from an intellectual imbalance, or by having access to the support of a group, or the capacity to socially isolate.

Bullying is therefore:

- Deliberately hurtful
- Repeated, often over a period of time
- Difficult to defend against

Bullying can include:

Type of bullying	Definition
Emotional	Being unfriendly, excluding, tormenting
Physical	Hitting, kicking, pushing, taking another's belongings, any use of violence
Prejudice- based and discriminatory, including: • Racial • Faith-based • Gendered (sexist) • Homophobic/biphobic • Transphobic • Disability based	Taunts, gestures, graffiti or physical abuse focused on a particular characteristic (e.g. gender, race, sexuality) or perceived characteristic
Sexual	Explicit sexual remarks, display of sexual material, sexual gestures, unwanted physical attention, comments about sexual reputation or performance, non-consensual making or sharing of nudes or semi-nudes (including those generated using AI) or inappropriate touching

Direct or indirect verbal	Name-calling, sarcasm, spreading rumours, teasing
Cyber-bullying	Bullying that takes place online, such as through social networking sites, messaging apps, gaming sites, devices or via images, audio, video, or written content, including content generated or altered using artificial intelligence (AI)

Details of our academy's approach to preventing and addressing bullying are set out in our **ANTI-BULLYING POLICY**.

5. Roles and responsibilities

5.1 The governing board

The governing board is responsible for monitoring this behaviour policy's effectiveness and holding the headteacher to account for its implementation.

5.2 The headteacher

The headteacher is responsible for:

- Reviewing and approving this behaviour policy
- Routinely engaging with pupils, parents/carers and staff on setting and maintaining the behaviour culture and an environment where everyone feels safe and supported
- Ensuring that the academy environment encourages positive behaviour
- Ensuring that staff deal effectively with poor behaviour
- Monitoring how staff implement this policy to ensure rewards and sanctions are applied consistently to all groups of pupils
- Ensuring that all staff understand the behavioural expectations and the importance of maintaining them
- Providing new staff with a clear induction into the academy's behavioural culture to ensure they understand its rules and routines, and how best to support all pupils to participate fully
- Offering appropriate training in behaviour management, and the impact of special educational needs and disabilities (SEND) and mental health needs on behaviour, to any staff who require it, so they can fulfil their duties set out in this policy
- Ensuring this policy works alongside the safeguarding policy to offer pupils both sanctions and support when necessary
- Ensuring that the data from the behaviour log is reviewed regularly, to make sure that no groups of pupils are being disproportionately impacted by this policy (see section 13.1)

5.3 Staff

Staff are responsible for:

- Creating a calm and safe environment for pupils
- Establishing and maintaining clear boundaries of acceptable pupil behaviour
- Implementing the behaviour policy consistently and fairly
- Communicating the academy's expectations, routines, values and standards through teaching behaviour and in every interaction with pupils
- Modelling expected behaviour and positive relationships
- Providing a personalised approach to the specific behavioural needs of particular pupils, including providing additional support to meet the academy's behaviour expectations where a pupil has SEND
- Recognising hidden stressors for vulnerable pupils, such as young carers or looked-after children, to ensure empathetic and supportive responses to their behaviour
- Being alert to new and emerging online harms, including risks associated with AI, misogynistic or misandrist content, and financially motivated sexual extortion (sometimes called 'sextortion')
- Considering the impact of their own behaviour on the academy culture and how they can uphold academy rules and expectations
- Using de-escalation techniques and positive behaviour management strategies to try to minimise and prevent the need for restrictive interventions

- Recording behaviour incidents promptly (see appendix 3 for a behaviour log)
- Challenging pupils to meet the academy's expectations

The senior leadership team (SLT) will support staff in responding to behaviour incidents

5.4 Parents and Carers

The academy will endeavour to build a positive relationship with parents and carers by keeping them informed about the developments in their child's behaviour and the academy's policy, and working in collaboration with them to tackle behavioural issues.

Parents and carers, where possible, should:

- Get to know the academy's behaviour policy and reinforce it at home where appropriate
- Support their child in adhering to the academy's behaviour policy
- Inform the academy of any changes in circumstances that may affect their child's behaviour
- Celebrate their child's successes
- Discuss any behavioural concerns with the class teacher promptly
- Take part in any pastoral work following misbehaviour (for example, attending reviews of specific behaviour interventions)
- Raise any concerns about the management of behaviour with the academy directly, while continuing to work in partnership with the academy
- Take part in the life of the academy and its culture

5.5 Pupils

Pupils will be made aware of the following during their induction into the behaviour culture:

- The expected standard of behaviour they should be displaying at academy
- That they have a duty to follow the behaviour policy
- The academy's key rules and routines
- The rewards they can earn for meeting the behaviour standards, and the consequences they will face if they don't meet the standards
- The pastoral support that is available to them to help them meet the behaviour standards

Pupils will be supported to meet the behaviour standards and will be provided with repeated induction sessions wherever appropriate.

Pupils will be supported to develop an understanding of the academy's behaviour policy and wider culture.

Pupils will be asked to give feedback on their experience of the behaviour culture to support the evaluation, improvement and implementation of the behaviour policy.

Extra support and induction will be provided for pupils who are mid-phase arrivals.

7. Responding to behaviour

At Thrunscoe Primary & Nursery Academy we follow one overarching rule, linked specifically to our vision and values, so that we can SHINE, be happy and be safe:

THE 'THRUNSCOE RULE':

So that we can 'ALL SHINE', the words and actions we use will not disrupt, upset, annoy or harm others.

Following one rule provides a simple message of expectation that:

- Can be easily understood by all pupils, parents and staff;
- Can be easily and consistently implemented on a day to day basis;
- Provides complete transparency of our decision making related to rewards and sanctions.

7.1 Classroom management

Teaching and support staff are responsible for setting the tone and context for positive behaviour within the Academy.

They will:

- Create and maintain a stimulating environment that encourages pupils to be engaged
- Display the THRUNSCOE RULE and NICER approach
- Display the THRUNSCOE SHINE VALUES
- Develop a positive relationship with pupils, which include:
 - Greeting pupils in the morning/at the start of lessons
 - Establishing clear routines
 - Communicating expectations of behaviour in ways other than verbally (modelling)
 - Highlighting and promoting good behaviour
 - Concluding the day positively and starting the next day afresh
 - Use the 'NICER' approach to deal with misbehaviour
 - Using positive reinforcement / proximity praise

7.2 Safeguarding

The Academy recognises

- Changes in behaviour may be an indicator that a pupil is in need of help or protection
- Specific circumstances, such as being a young carer, looked-after child, or living in a vulnerable household, can significantly affect behaviour

We will consider whether a pupil's misbehaviour may be linked to them suffering, or being likely to suffer, significant harm. Staff will follow the academy's child protection policy and speak to the designated safeguarding lead (or deputy).

Where this may be the case, we will follow our child protection and safeguarding policy, and consider whether pastoral support, universal services, community-based early help, targeted early help or a referral to children's social care is appropriate.

Please refer to our child protection and safeguarding policy for more information

7.3 Responding to good behaviour

When a pupil's behaviour meets or goes above and beyond the expected behaviour standard, staff will recognise it with positive recognition and reward. This provides an opportunity for all staff to reinforce the academy's culture and ethos.

Positive reinforcements and rewards will be applied clearly and fairly to reinforce the routines, expectations and norms of the academy's behaviour culture.

Positive behaviour will be rewarded with the following and staff are expected to state what aspect of the Academy joint vision has been demonstrated and rewarded:

- House Team System – including House Team Points and associated rewards and special privileges / rewards short, medium and long term
- Verbal Praise (including proximity praise)
- Stickers
- 'Star of the week' certificates to be awarded in a weekly Celebration Assembly for demonstrating the specific qualities of the ACADEMY VISION.
- Phone calls, texts, notes to parents / carers
- Positions of responsibility - Prefect status

7.4 Responding to misbehaviour

When a pupil's behaviour falls below the standard that can reasonably be expected of them, staff will respond expediently in order to restore a calm and safe learning environment, and to prevent recurrence of misbehaviour.

Staff will endeavour to create a predictable environment by always challenging behaviour immediately that falls short of the standards, and by responding in a consistent, fair and proportionate manner, so pupils know with certainty that misbehaviour will always be addressed.

De-escalation techniques, including the use of pre-arranged scripts and phrases, can be used to help prevent further behaviour issues arising.

All pupils will be treated equitably under the policy, with any factors that contributed to the behavioural incident identified and taken into account.

When giving behaviour sanctions, staff will also consider what support could be offered to a pupil to help them to meet behaviour standards in the future.

The academy may use 1 or more of the following sanctions in response to unacceptable behaviour linked to the THRUNSCOE 'NICER' APPROACH (**SEE APPENDIX 6**)

- A firm, stern, controlled verbal reprimand and reminder of the expectations of behaviour
- Sending the pupil out of the class (ie consider actions / breather)
- Setting of written tasks such as a reflection of their behaviour (restorative) / completing incomplete work due to refusal
- Expecting work to be completed at break or lunchtime
- Loss of privileges – for instance, the loss of a prized responsibility
- Referring the pupil to a senior member of staff
- Letter or phone call home to parents/carers
- Removal of the pupil from the classroom
- Partner class – 15 minutes
- Suspension
- Permanent exclusion, in the most serious of circumstances

Personal circumstances of the pupil will be taken into account when choosing sanctions, and decisions will be made on a case-by-case basis, but with regard to the impact on perceived fairness.

As an academy we have a clear understanding how behaviour is linked to a pupils' current state of wellbeing. Therefore, as part of our behaviour management we provide pupils with self-referral opportunities to seek support at times of concern / crisis via the worry monster / circle time sessions / access to well-being mentors. Access to the latter can also be requested by staff via behaviour referral forms.

7.5 Restrictive interventions including use of reasonable force (Positive Handling using Team Teach)

Our approach to restrictive interventions follows the [DfE's latest guidance on restrictive interventions](#).

Restrictive interventions are used to prevent, restrict, or subdue movement of the body or part of the body of a pupil. It describes both physical and non-physical actions aimed to restrain pupils in different ways.

Our staff understand that any form of force or restraint carries a risk of physical and psychological harm, so we always avoid using these measures where possible.

7.5.1 Reasonable force

Reasonable force covers a broad range of actions used by staff that involve a degree of physical contact to restrain pupils, using no more force than is needed for the least amount of time, the application of which will depend on the circumstances.

The academy does not have a 'no contact' policy and will not grant any requests by parents or staff not to use reasonable force and/or other restrictive interventions.

All members of staff have a legal power to use reasonable force in certain situations, to prevent a pupil from:

- Hurting themselves or others
- Committing a criminal offence
- Damaging property
- Causing disorder among pupils, in or out of lessons

Reasonable force must:

- Always be used as a last resort
- Be used in a way that maintains the safety and dignity of all concerned
- **Never** be used as a form of punishment
- **Never** involve restraining a pupil in a way that affects their airway, breathing or circulation, for example by covering their nose and/or mouth or applying pressure to their neck or abdomen
- **Never** be used if the pupil is on the ground. If a pupil is unintentionally held on the ground, staff should release their hold or move into a safer alternative or standing position as quickly as possible
- Be recorded and reported to parents/carers using the 'TEAM TEACH MONITORING BOOK' (situated in office) and referred to in an associated CPOMS entry;
- Where appropriate, to be included in a 'Positive Behaviour Support Plan' and agreed with parents.

Staff who are likely to need to use reasonable force and/or other restrictive interventions are adequately trained in its safe and lawful use and in preventative strategies.

When considering using reasonable force, staff should, in considering the risks, carefully recognise any specific vulnerabilities of the pupil, including SEND, mental health needs or medical conditions.

When considering using reasonable force, staff should, in considering the risks, carefully recognise any specific vulnerabilities of the pupil, including SEND, mental health needs or medical conditions.

Please see our restrictive intervention policy for more information

7.6 Confiscation and Searches

Searching, screening and confiscation is conducted in line with the DfE's [latest guidance on searching, screening and confiscation](#). Please refer to our academy's **Confiscation and Searches Policy**.

7.7 Child-on-child abuse

We recognise that children are capable of abusing other children. Abuse will never be tolerated or passed off as “banter”, “just having a laugh”, “part of growing up”, or “boys being boys”, as this can lead to a culture of unacceptable behaviours, misogyny, and an unsafe environment for pupils.

All child-on-child abuse is unacceptable and will be taken seriously.

Most cases of pupils hurting other pupils will be dealt with under this policy.

Where allegations raise safeguarding concerns, this will be managed under our safeguarding policy. Our safeguarding policy contains further information on how we prevent and manage incidents of child-on-child abuse <https://www.thruncoacademy.co.uk/important-information/policies>

7.8 Off-site misbehaviour

Sanctions may be applied where a pupil has misbehaved off-site when representing the academy. This means misbehaviour when the pupil is:

- Taking part in any academy-organised or academy-related activity (e.g. academy trips)
- Travelling to or from academy
- Wearing academy uniform
- In any other way identifiable as a pupil of our academy

Sanctions may also be applied where a pupil has misbehaved off-site, at any time, whether or not the conditions above apply, if the misbehaviour:

- Could have repercussions for the orderly running of the academy
- Poses a threat to another pupil
- Could adversely affect the reputation of the academy

Sanctions will only be given out on academy premises or elsewhere when the pupil is under the lawful control of a staff member (e.g. on a academy-organised trip).

7.9 Online misbehaviour

The academy monitors pupils' online activity using online filtering and monitoring software.

The academy can issue behaviour sanctions to pupils for online misbehaviour when:

- It poses a threat or causes harm to another pupil
- It could have repercussions for the orderly running of the academy
- It adversely affects the reputation of the academy
- The pupil is identifiable as a member of the academy

This includes harmful content created, altered or shared using artificial intelligence (AI), including nudes and semi-nudes.

Sanctions will only be given out on academy premises or elsewhere when the pupil is under the lawful control of a staff member.

7.10 Suspected criminal behaviour

If a pupil is suspected of criminal behaviour, the academy will make an initial assessment of whether to report the incident to the police only by gathering enough information to establish the facts of the case.

When establishing the facts, initial investigations will be fully documented and the academy will endeavour to preserve any relevant evidence to hand over to the police.

If a decision is made to report the matter to the police, the headteacher will make the report (Deputy Head or DSL in their absence).

The academy will not interfere with any police action taken. However, the academy may continue to follow its own investigation procedure and enforce sanctions, as long as it does not conflict with police action.

If a report to the police is made, the designated safeguarding lead (DSL) will make a tandem report to children's social care, if appropriate.

7.11 Zero-tolerance approach to sexual harassment and sexual violence

The Academy will ensure that all incidents of sexual harassment and/or violence are met with a suitable response, and never ignored.

Pupils are encouraged to report anything that makes them uncomfortable, no matter how 'small' they feel it might be.

The Academy's response will be:

- Proportionate
- Considered
- Supportive
- Decided on a case-by-case basis

The Academy has procedures in place to respond to any allegations or concerns regarding a child's safety or wellbeing. These include clear processes for:

- Responding to a report (**See appendix 7**)
- Carrying out risk assessments (**See Appendix 8**), where appropriate, to help determine whether to:
 - Manage the incident internally
 - Refer to early help
 - Refer to children's social care
 - Report to the police

Please refer to our child protection and safeguarding policy for more information.

7.12 Malicious allegations

Where a pupil makes an allegation against a member of staff and that allegation is shown to have been a deliberate act to deceive or cause harm to the person subject of the allegation, the academy will consider whether to discipline the pupil in accordance with this policy.

Where a pupil makes an allegation of sexual violence or sexual harassment against another pupil and that allegation is shown to have been deliberately invented or malicious, the academy will consider whether to discipline the pupil in accordance with this policy.

In all cases where an allegation is determined to be unsubstantiated, unfounded, false or malicious, the academy (in collaboration with the local authority designated officer (LADO), where relevant) will consider whether the pupil who made the allegation is in need of help, or the allegation may have been a cry for help. If so, a referral to children's social care may be appropriate.

The Academy will also consider the pastoral needs of the pupil and the staff accused of misconduct.

Please refer to our 'Safeguarding / Child protection policy' for statement of procedures for dealing with allegations of abuse against staff for more information on responding to allegations of abuse.

8. Serious Sanctions

8.1 Removal from classrooms

In response to serious or persistent breaches of this policy, the academy may remove the pupil from the classroom for a limited time.

Pupils who have been removed will continue to receive education under the supervision of a member of staff. This education will be meaningful, but it may differ from the mainstream curriculum.

Removal is a serious sanction and will only be used in response to serious misbehaviour. Staff will only remove pupils from the classroom once other behavioural strategies have been attempted, unless the behaviour is so extreme as to warrant immediate removal.

Removal can be used to:

- Maintain the safety of all pupils and to restore stability following an unreasonably high level of disruption
- Enable disruptive pupils to be taken to a place where education can be continued in a managed environment
- Allow the pupil to regain calm in a safe space

Pupils who have been removed from the classroom are supervised by a SENIOR member of staff and will be removed for a maximum of 15 minutes

Pupils will not be removed from classrooms for prolonged periods of time without the explicit agreement of the headteacher

Pupils should be reintegrated into the classroom as soon as it is appropriate and safe to do so. The Academy will consider what support is needed to help a pupil successfully reintegrate into the classroom and meet the expected standards of behaviour.

Parents/carers will be informed on the same day that their child is removed from the classroom.

The academy will consider an alternative approach to behaviour management for pupils who are frequently removed from class, such as:

- Meetings with WELL-BEING MENTORS & PARENTS / CARERS
- ACADEMY / HOME communication booklet
- Use of teaching assistants
- Short-term behaviour report cards
- Long-term behaviour plans (PBSP)
- Pupil support units (BAC)
- Multi-agency assessment

Staff will record all incidents of removal from the classroom in the behaviour log (CPOMS), along with details of the incident that led to the removal, and any protected characteristics of the pupil.

8.3 Suspension and permanent exclusion

The Academy can use suspension and permanent exclusion in response to serious incidents or in response to persistent poor behaviour which has not improved following in-academy sanctions and interventions.

The decision to suspend or exclude will be made by the headteacher and only as a last resort.

Please refer to our exclusions policy for more information

9. Responding to misbehaviour from pupils with SEND

9.1 Recognising the impact of SEND on behaviour

The academy recognises that pupils' behaviour may be impacted by a special educational need or disability (SEND). Pupils with SEND may react to distressing or confusing situations by displaying behaviours which may be harmful to themselves and others. Pupils who have difficulty communicating verbally might show their needs and discomfort through their actions. Pupils with SEND may struggle to distinguish real content from AI-generated content or understand the consequences of online interactions.

The academy will consider how a whole-academy approach meets the needs of all pupils in the academy, including pupils with SEND, so that everyone can feel they belong in the academy community and high expectations are maintained for all pupils.

When incidents of misbehaviour arise, we will consider them in relation to a pupil's SEND, although we recognise that not every incident of misbehaviour will be connected to their SEND. Decisions on whether a pupil's SEND had an impact on an incident of misbehaviour will be made by the academy on a case-by-case basis.

When dealing with misbehaviour from pupils with SEND, especially where their SEND affects their behaviour, the academy will take its legal duties into account when making decisions about enforcing the behaviour policy. The legal duties include:

- Taking reasonable steps to avoid any substantial disadvantage to a disabled pupil being caused by the academy's policies or practices ([Equality Act 2010](#))
- Using our best endeavours to meet the needs of pupils with SEND ([Children and Families Act 2014](#))

If a pupil has an education, health and care (EHC) plan, the provisions set out in that plan will be secured and the academy will co-operate with the local authority and other bodies.

As part of meeting these duties, the academy will anticipate, as far as possible, all likely triggers of misbehaviour, and put in place support, including behaviour support plans where appropriate, to prevent these from occurring.

We will utilise staff who know individual pupils with SEND well, to:

- Help identify and manage risk, such as trigger points when challenging behaviour is more likely to occur
- Develop proactive strategies to reduce the likelihood of restrictive interventions being used

We will also work with the pupil, their parents/carers and other professionals to develop prevention and de-escalation strategies.

Any preventative measures will take into account the specific circumstances and requirements of the pupil concerned.

Approaches to anticipating and removing triggers of misbehaviour below.

- Short, planned movement breaks for a pupil with SEND who finds it difficult to sit still for long
- Adjusting seating plans to allow a pupil with visual or hearing impairment to sit in sight of the teacher
- Adjusting uniform requirements for a pupil with sensory issues or who has severe eczema
- Training for staff in understanding conditions such as autism
- Use of separation spaces (sensory zones or well-being room) where pupils can regulate their emotions during a moment of sensory overload

9.2 Adapting sanctions for pupils with SEND

When considering a behavioural sanction for a pupil with SEND, the academy will consider whether:

- The pupil was unable to understand the rule or instruction
- The pupil was unable to act differently at the time as a result of their SEND
- The pupil was likely to behave aggressively due to their particular SEND

If the answer to any of these is 'yes', it may be unlawful for the Academy to sanction the pupil for the behaviour.

The Academy will then assess whether it is appropriate to use a sanction and if so, whether any reasonable adjustments need to be made to the sanction

9.3 Considering whether a pupil displaying challenging behaviour may have unidentified SEND

The academy's special educational needs co-ordinator (SENCO) may evaluate a pupil who exhibits challenging behaviour to determine whether they have any underlying needs that are not currently being met.

Where necessary, support and advice will also be sought from specialist teachers, an educational psychologist, medical practitioners and/or others, to identify or support specific needs.

When acute needs are identified in a pupil, we will liaise with external agencies and plan support programmes for that child. We will work with parents/carers to create the plan and review it on a regular basis.

9.4 Pupils with an education, health and care (EHC) plan

The provisions set out in the EHC plan must be secured and the academy will co-operate with the local authority and other bodies.

If the academy has a concern about the behaviour of a pupil with an EHC plan, it will make contact with the local authority to discuss the matter. If appropriate, the academy may request an emergency review of the EHC plan

10. Supporting pupils following a sanction

Following a sanction, the academy will consider strategies to help the pupil to understand how to improve their behaviour and meet the expectations of the academy.

Strategies for reintegrating pupils following removal from the classroom, time spent in a pupil support unit or in another setting under off-site direction, or following suspension:

- Reintegration meetings with pupil / parent / carer
- Academy / Home communication booklet
- Daily contact with the well-being mentors / SLT member
- A report card with personalised behaviour goals
- Adapting seating arrangement in class

11. Pupil transition

11.1 Inducting incoming pupils

The academy will support incoming pupils to meet behaviour standards by offering an induction process to familiarise them with the behaviour policy and the wider academy culture.

11.2 Preparing outgoing pupils for transition

To ensure a smooth transition to the next year, pupils have transition sessions with their new teacher(s). In addition, staff members hold transition meetings.

To ensure behaviour is continually monitored and the right support is in place, information relating to pupil behaviour issues may be transferred to relevant staff at the start of the term or year.

12. Training

As part of their induction process, our staff are provided with regular training on managing behaviour, including training on:

- The safe and lawful use of reasonable force and/or other restrictive interventions
- The needs of the pupils at the academy
- How SEND, mental health needs and personal circumstances can impact behaviour
- Behaviour management
- Risks associated with use of generative AI
- Identifying and challenging extreme online misogynistic or misandrist content
- Behaviour management will also form part of continuing professional development.

13. Monitoring arrangements

13.1 Monitoring and evaluating behaviour

The Academy will collect data on the following:

- Behavioural incidents, including removal from the classroom
- Attendance, permanent exclusions and suspensions

- Use of pupil support units, off-site directions and managed moves
- Incidents involving restrictive intervention, including the use of reasonable force
- Incidents of searching, screening and confiscation
- Perceptions and experiences of the academy behaviour culture for staff, pupils, governors, trustees and other stakeholders (via anonymous surveys)

The data will be analysed every term by the BEHAVIOUR LEAD

The data will be analysed from a variety of perspectives including:

- At academy level
- By age group
- At the level of individual members of staff
- By time of day/week/term
- By protected characteristic

The academy will use the results of this analysis to make sure it is meeting its duties under the Equality Act 2010. If any trends or disparities between groups of pupils are identified by this analysis, the academy will review its policies to tackle them.

13.2 Monitoring this policy

This behaviour policy will be reviewed by the headteacher at least annually, or more frequently, if needed, to address findings from the regular monitoring of the behaviour data (as per section 13.1). At each review, the policy will be approved by the Headteacher.

14. Links with other policies

This behaviour policy is linked to the following policies:

- Positive Handling Policy
- Anti-Bullying Policy
- Child Protection and Safeguarding Policy
- Emotional Health and Well-Being Policy.
- Exclusions policy
- Mobile phone policy

APPENDIX 6 – N.I.C.E.R approach to misbehaviour

At Thrunscoe Primary & Nursery Academy we follow one overarching rule, linked specifically to our vision and values, so that we can SHINE, be happy and be safe:

THE 'THRUNSCOE RULE':

So that we can 'ALL SHINE', the words and actions we use will not disrupt, upset, annoy or harm others.

Disrupt - not following instructions / shouting out /not walking quietly in corridors /distraction of others whilst they are learning / not raising hand when providing an answer

Upset – using unkind words /using unkind actions / not paying attention during teaching and learning / refusal

Annoy - shouting out / distraction of others whilst they are learning / commenting negatively on others / talking at inappropriate times when it time to learn

Harm- physically /emotionally / bullying / harmful sexualised behaviour

N.I.C.E.R approach to behaviour management – clarify what we know to be negative behaviours, develop our pupils' understanding of cause and effect and clarify how to rectify negative behaviours in future.

NB: In line with section 9 of this policy, when considering a behavioural sanction for a pupil with SEND, the Academy will consider whether:

- The pupil was unable to understand the rule or instruction
- The pupil was unable to act differently at the time as a result of their SEND
- The pupil was likely to behave aggressively due to their particular SEND

The Academy will then assess whether it is appropriate to use a sanction and if so, whether any reasonable adjustments need to be made to the sanction.

NOTE: House team points WILL NOT be removed as a sanction imposed on a pupil. A whole class will not be punished (ie blanket kept in at break / blanket not earning break time) for the behaviour of several pupils.

APPENDIX 7: CHILD - ON - CHILD SEXUAL ABUSE – REPORTING A DISCLOSURE

Child-on-child sexual abuse: what to do if a child makes a disclosure

Make sure you understand and follow our child protection policy and procedures for dealing with child-on-child sexual abuse. If you have any concerns about a child's welfare, act on them immediately – don't wait for a disclosure.

- ✓ Ask the child outright if they've been harmed and what the nature of the harm was
- ✓ Listen and reassure them that they will be supported and kept safe
- ✓ Reflect back, using their language
- ✓ Be mindful that some children may face additional barriers to disclosure because of their vulnerability, disability, gender, ethnicity and/or sexual orientation
- ✓ Remember that:
 - This may only be the first incident the child has reported
 - Trauma can impact memory, so the child may not be able to recall all of the details or timeline of the abuse
- ✓ Make a written record as soon as possible, stating only the facts
- ✓ Tell our designated safeguarding lead (DSL) urgently:

Mr S. Bate (Headteacher) / Kerry Allen (DSL)
- ✓ Where appropriate, take action yourself:
 - If the child is in immediate danger or at risk of harm, make a referral to children's social care
 - If an offence has been committed, report it to the police (even if the alleged perpetrator(s) is under 10). You can confiscate devices as evidence for the police, if the report includes an online element
 - Find out whether the victim and alleged perpetrator(s) share classes, premises or transport, and consider how to keep them a reasonable distance apart, including both before and after school

- ✗ Dismiss the incident as 'banter', 'part of growing up' or 'having a laugh'
- ✗ Ask leading questions
- ✗ Promise total confidentiality – explain who you will need to tell and why
- ✗ View photos or videos of a sexual nature
 - If you do so by accident or think you might need to in order to deal with the issue effectively, talk to our DSL
- ✗ Take notes while the child is talking, if at all possible
- ✗ Tell anyone about the disclosure unless they need to know in order to progress it

Key definitions

Child-on-child sexual abuse: when a child (anyone under the age of 18) commits an act of sexual violence or harassment against another child

Sexual violence: rape, assault by penetration, or sexual assault (intentional sexual touching)

Sexual harassment: unwanted conduct of a sexual nature – such as sexual comments, sexual jokes or taunting, physical behaviour like interfering with clothes, or online harassment such as sexting

Upskirting: taking a picture under a person's clothing without their permission to obtain sexual gratification or cause the victim humiliation, distress or alarm

Sexual activity is an offence if:

- Person B (the victim) does not consent
- Person A (the perpetrator) does not reasonably believe that Person B consents

Someone consents if they:

- Agree by choice
- Have the freedom and capacity to choose

APPENDIX 8: CHILD - ON - CHILD SEXUAL ABUSE – RISK ASSESSMENT

REPORT

Child-on-child sexual abuse: risk and needs assessment and version record

Use this template to help you:

- > Assess the risks to the children involved in an incident of child-on-child sexual abuse
- > Meet the recommendations set out in [paragraphs 441 to 447 of Keeping Children Safe in Education \(KCSIE\)](#).

We developed this template with Ann Marie Christian.

How to use this template

- (1) We've used "Child A" and "Child B" to signify the children involved, rather than saying "victim" and "alleged perpetrator(s)". This is because you should avoid assigning guilt until a formal investigation has been conducted by the appropriate authorities.
- (2) Consider each question/consideration from the perspective of both pupils, and be sure to do this in collaboration with them. Also consider the impact on, and needs of, the wider school community, and record any concerns or actions in the most appropriate column.
- (3) Work with your local multi-agency safeguarding team (MAST) when conducting this risk assessment, and update it in response to any advice they provide. Some of the prompts may require input from other MAST agencies. Add specific questions and considerations based on the nature of each incident and on the advice provided.
- (4) Keep track of the changes you make:
 - Create a new copy of the document
 - Update the version number at the top of the risk assessment
 - Record what has changed in the update log (at the end of the document)
 - Save the most recent version of the risk assessment in the appropriate places (for example, the child's safeguarding file)
- (5) This should be a living document – you may need to update it as often as daily based on conversations with, and feedback from, the children and parents involved, feedback from staff, guidance from the MAST, or information from the police and children's social care.

Details of the incident Record details of the incident from the point of view of both children	- How serious is the incident? Was it a crime? - Were there any other victims? If yes, add extra columns for each other child - Do we need to make arrangements to limit contact between the children involved, other than keeping them a reasonable distance apart on school premises including at before and after-school activities? (If the allegation relates to rape, assault by penetration, or sexual assault, the answer is automatically yes) - How did the school find out about it? Was it reported directly or by someone else with knowledge of the incident? - Did the incident take place within an intimate relationship between the children? - Are there any related issues, including links to child sexual exploitation and child criminal exploitation?			Use this column to record additional information that may be relevant For example, previous, unrelated behaviour incidents

Social risks	- Do the children share a peer group? Are people in their friend group likely to take sides? - Do they both attend your school? - Do other people know about the incident? Do those people understand: - Who they can talk to if they have concerns about the people involved, or about their own safety and wellbeing - The importance of confidentiality - If, and how, they may need to be involved in any further investigations - Are they likely to be the subject of gossip, bullying or further harassment? - Have there been previous incidents of sexually inappropriate behaviour within their peer group(s)? - Do they risk being alienated from their friend group(s) as a result of this incident?				

AREA OF RISK	CONSIDERATIONS	CHILD 'A'	CHILD 'B'	NOTES	ACTIONS
Physical risks	- Do they feel, or continue to feel, physically threatened by the other child? - Do you have reason to believe there is a continued risk to the safety and wellbeing of the children involved, or other pupils and staff? - Is either party at risk of physical harm as a result of this incident (for example, bullying or 'retribution' by peers) - Do they share classes/break times/etc.? - Are they likely to come into contact with each other (or anyone else involved in/with knowledge of the incident) outside of school? How can such contact be limited? - Are they likely to come into contact with each other (or anyone else involved in/with knowledge of the incident) on school transport? How can we provide support here?				
Environmental risks	- Do they live in a home where violence or abuse has occurred? - Do they live in or near an area or location known to police to be high risk for sexual harassment or assault? - Are they active on social media? If so, how? Do they know how to protect themselves from online grooming? - What activities do they take part in outside of school? - Are parents clear about: - How the school (and partner agencies) are handling the incident? - Confidentiality? - The conduct expected of them while an investigation is ongoing?
