Chicken Pox

Dear Parents / Carers,

Please may we ask for your cooperation in a vitally important matter?

One of our brave pupils has been fighting leukaemia. As part of their ongoing maintenance care, this child is still receiving regular medical treatments. Whilst in this stage, there is a serious risk to the child's health if they are exposed to chicken pox.

If you suspect your child has chicken pox or they have been in contact with someone that has chicken pox please let the Academy know immediately.

Your own child is not at any risk whatsoever from this situation. However, the health and wellbeing of this pupil could be at serious risk. We depend on the co-operation of all parents / carers and know we can rely on your help.

Thank you very much in advance.

Yours Sincerely

Mr S P Bate

Headteacher
