Iris Class Topic Morning - Cinderella needs your help!
Friday 10th March 9:00am-11:15am

We are excited to announce the opportunity for you to join your child for a morning in Iris Class. The children have been learning about the story of Cinderella and given the challenge to design her some new transport. Each child must design Cinderella a mode of transport that includes: a seat and some wheels. However, when it comes to making it, it can be rather tricky for the children, therefore we would love the opportunity to invite parents and carers in, to come and help with the building of such wonderful creations! The following information should answer your questions:

Will I need to bring anything?

The children have each designed their own model of a coach for Cinderella. We will try our best to collect as much 'junk modelling' as we possibly can but you may want to bring your own, specific to your child's design, that we wouldn't have. We will send each child home with a copy of their design so you can see what they are aiming for. We will provide things such as: scissors, glue, tape and string. Junk modelling ideas include: old cardboard boxes, empty food packages (such as cereal boxes or gravy granule tubs), paper cake cases, jam tart foil cases, cardboard tubes, old bits of material etc.

Where will it be and when does it start?

After dropping the children off at the classroom door, parents/carers will need to make their way round to the main entrance. Please sign in and then make your way to the school hall, where the children will be brought to you.

We look forward to you joining us and seeing our wonderful families working together to create awesome models.

Kind regards,
Mrs Allen and Miss Marsh.

CONFIRMATION SLIP FOR IRIS PARENT'S AFTERNOON
Friday 10th March 9:00am - 11:15am

I will/ will not be able to attend _____ (name of child)

Signed _____ (parent/carer)
