Exciting New Parent / Academy Communication Platform

ClassDojo

Dear Parents/Carers,

We are very excited to welcome you to ClassDojo!

We work extremely hard to continually strengthen our communication with you. We believe, that through using the secure ClassDojo APP, we will be able to share many 'SHINE' moments with you as your child continues their learning journey us.

Each child is provided with an avatar, which your child can personalise with you at home. You will also be able to see 'class stories' from time to time where the teacher will post information / photos about what the children have been doing in particular lessons. We do not require further permissions from you for posting photos / videos on this secure APP as is comes under the permissions you have already granted / not granted to us re: publishing outside of the academy for promotional purposes and celebrating success.

The parts of ClassDojo that we access are free to use by the Academy and for you at home. The section called 'ClassDojo Beyond School', allows you to award dojo points as a parent but this is a subscription service. Please be mindful of this and do not enter any payment details if you do not want to be charged.

To access the app on your iPhone/Android please follow the instructions attached to this letter. Should you encounter any difficulties, please call in to the main reception or contact the office on 01472 320781 and we will assist you.

We hope that you enjoy connecting with your child(ren) through ClassDojo.

Kind Regards,

Mr S. P. Bate
Head Teacher
