Dear Parents,

Considerate Parking

We understand that parking around the Academy can be challenging at drop off and collection times, especially if you already running late.

We kindly request that when stopping to park you are considerate to the people that live around the Academy. Our neighbours have a right to leave their homes at any time they choose and should not have to work their day around our drop off and collection times because people have parked across their drive.

If you are asked by a local resident to please move your vehicle because you are blocking a drive, please respect the request and move your vehicle to a more appropriate place. They do have a right to leave their home and not face unkind words and actions in response. Such behaviour leaves residents feeling very vulnerable and attacked on their own property.

Thanks very much for your support with this; we really appreciate you working with us to respect the Academy's reputation and the local area.

Kind Regards
Mr S. P. Bate
