

Monsters

Hermes Curriculum Information Sheet - Year 4 Autumn Term 2023

Maths

- Addition and subtraction
- Multiplication and division.

Please help your child to learn their times tables.

English

- We are revisiting how to construct high quality paragraphs to aid our writing over the year.
- Recount of the summer holidays.
- Instruction writing linked to 'The Iron Man' by Ted Hughes

Knowledge and Understanding

Science

- Animals including humans
- Electricity

Geography

- The Americas, with our Big Finish focus on Route 66.

RE

- Islamic Rites of Passage

Spanish

- Revisiting key vocabulary used last year
- Introducing the topic 'Friends'

Important Information

- Reading records will be checked throughout the week. Your child has been told which day their reading record should be handed in. Please ask if your child is unsure of when they need to hand in their reading record. Your child should be reading at least 3 times a week.
- Homework booklet will be sent home each Friday to be completed and returned the following Friday. This will consist of our weekly spellings and timetables.
- Please see your homework booklet for your creative homework task.
- Our PE days are Tuesday and Friday.

Creative

Music

- Harvest song
- Christmas Carol Concert

Design and Technology

- We are focusing on mindfulness breathing techniques using timers
- We will program and design our own timer using a Micro:bit

ICT

- Online safety
- Programming Unit 1: Coding Scratch

Wellbeing

Physical

- Swimming (Y4 pupils only)
- Gymnastics
- Invasion games
- Indoor athletics
- Interpretive dance

Social, emotional and mental health
