Dental Survey

Dear Parent/Carer,

Thrumscoe has been chosen to be included in the 2025-2026 National Oral Health survey of 5-year-old children.

This will involve the Northern Lincolnshire & Goole NHS Foundation Trust Community Dental Team visiting the school. The team will visit the school in January/February 2026 and perform a dental examination on children who have been selected to participate, and for whom parental consent has been given. The examination takes around 1-2 minutes per child, any child with outstanding dental issues identified will be sent a letter home to inform parents and if they do not have a dentist, they will be invited in to the clinic to receive treatment.

In order for your child to be considered for this survey the school needs to provide the following information:

- Pupil Name
- DOB

Data will only be shared with the Northern Lincolnshire & Goole NHS Foundation Trust Community Dental Team.

If you do not want your child's data to be shared with the dental team, please can you contact school by Wednesday 19th November.

Thank you for your support on this matter.

Your sincerely,

Mr S P Bate, Headteacher
