Greenpower Car Club

Dear Parent/Carer,

I am pleased to let you know that we will once again be running the **Greenpower Car Club** this year with our new Year 6 children. This is a fantastic opportunity for the pupils to develop teamwork, engineering skills and safe driving experience with our electric Goblin G2 car.

Club Details:

- The club will run on **Mondays after school until 4:30pm**
- Children will leave via the **school office** at the end of the session
- Parents will need to confirm on the slip below whether your child will be **walking home alone or collected.**

Sessions and Selection:

- **8 children** will be selected to attend on **15th September** and **22nd September**
- A different group of **8 children** will attend on **29th September** and **6th October**
- Children who do not attend this term will have the opportunity to take part in the **Summer Term.**

Further Opportunities:

- Children who demonstrate safe and competent driving, along with sensible behaviour, may have the chance to **represent the school** in races against other schools later in the year.
- At different points in the year, pupils may also be chosen to take part in **engineering work on the car.** These sessions will be held at lunchtime.

Clothing & Safety:

- For safety, **legs must be covered.** Children may bring a pair of trousers to change into if the weather is warm.
- In the event of **bad weather**, the club will be postponed and rearranged later in the same week. Parents will be informed of this by message on the Monday morning.

Please complete and return the slip below to confirm your child's participation.

Thank you for your support, and I look forward to an exciting year with the Greenpower Car Club.

Best wishes,

Mr Howard
