### Green Power Car Project

Dear Parents/Carers,

As part of our exciting involvement in the Green Power Car project, we would like to give children the opportunity to **drive the electric Goblin G2 car** on the school playground under close adult supervision.

This is a fantastic chance for them to experience the vehicle in a safe and controlled environment. All safety procedures will be followed, and children will be required to wear helmets and gloves during their time in the car.

Please complete and return the permission slip below by **Wednesday 21<sup>st</sup> May 2025** to let us know if you are happy for your child to take part.

Many thanks for your continued support.

Best wishes,

**Mr Howard**

**Green Power Car Club Lead**
