Dear Parents/Carers,

KS2 SATS Results

After much waiting, we received the KS2 SATS results (online) this morning. Unfortunately, upon checking them, we have discovered numerous clerical errors from the external markers. We did hope to pass the results on to children and parents today but this will not be possible due to the errors and the time it will now take for me to check that each paper taken by pupils during the tests have been assigned to the correct pupil.

I know this will be frustrating to hear, as much as it was for me to see this morning, and I can only ask for your patience on the matter. Please be assured, that I will be checking each paper thoroughly and going back to the Department For Education to request reviews where required.

I aim to be in a position to send out confirmed results over the next few days; any results sent for review will be reviewed over the summer break and will be available from September 2023.

If you have any questions regarding this matter, please don't hesitate to get in touch.

Yours sincerely

Mr S Bate
