Dear Parent / Carer,

Smoking/Vaping Near to, or at, the Entrances to the Academy Grounds

Thrunscoe Primary & Nursery Academy identifies the health, safety and welfare of its children, parents and staff as its highest priority.

Our smoking/vaping policy has been developed to protect all employees, service users, customers and visitors from exposure to second hand smoke. Exposure to second hand smoke (passive smoking) increases the risk of lung cancer, heart disease and other illnesses and the academy will take all reasonable steps to protect the service users of the academy.

With this in mind, I wish to remind all parents/carers that, as per our Smoking Policy, should you wish to smoke/vape that this is done outside the academy buildings & grounds and as far away as possible from entrance gates and where children can see.

Your support in this matter is much appreciated.

Yours Sincerely,

Mr Bate

Headteacher
