Pedestrian Safety

Dear Parent/Carer,

It has been brought to my attention that a number of parents are cutting through the car park gates on the Trin side of the building when coming into school at drop off and pick up times.

Members of staff have today witnessed a parent with young children and a pushchair crossing just in front of the barrier, not visible from the road, as a car pulled into the car park. Thankfully this was a near miss but it could have resulted in injury to pedestrians.

Staff have also witnessed parents walking underneath the raised barrier. This is a hazard as the barrier may come down at any point.

Parents should not cut through the car park, they should use the pedestrian access that is just a few steps away.

DO NOT USE FOR PEDESTRIAN ACCESS

PEDESTRIAN ACCESS

Yours sincerely,
