Privacy notice for parents and carers – how we use your personal data

Under UK-General Data Protection Regulations, individuals have a right to be informed about how the academy uses any personal data that we hold about them. We comply with this right by providing 'privacy notices' (sometimes called 'fair processing notices') to individuals where we are processing their personal data.

This privacy notice explains how we collect, store and use personal data about **you**.

We, Thrunscoe Primary and Nursery Academy, are the 'data controller' for the purposes of data protection law.

Some of the reasons listed above for collecting and using your personal data overlap, and there may be several grounds which justify our use of your data.

Collecting this information

While the majority of information we collect about you is mandatory, there is some information that can be provided voluntarily.

Whenever we seek to collect information from you, we make it clear whether you must provide this information (and if so, what the possible consequences are of not complying), or whether you have a choice.

How we store this data

We keep personal information about you while your child is attending our academy. We may also keep it beyond their attendance at our academy if this is necessary in order to comply with our legal obligations. Our Records Management Policy sets out how long we keep information about parents and carers. The Records Management Policy is available on the academy's website.
