School Uniform and children and young people with Special Educational Needs and Disabilities

Parent carers of young people with SEND often report that one of the biggest barriers to attendance is school uniform. Some pupils with SEND have difficulties related to dyspraxia, physical difficulties and/or sensory processing differences, and uniform can be a considerable issue. Collars and blazers may be too stiff, buttons too tricky, skirts and trousers difficult to get on, ties too restrictive, labels too tickly/painful/itchy and certain socks and shoes overwhelmingly uncomfortable.

See our new page on School Uniforms and SEND. [NELC SEND Local Offer | School Uniform and children and young people with Special Educational Needs and Disabilities \(nelincs.gov.uk\)](#)
