15 WEEK 'FREE' PERSONAL TUTORING FOR YOUR CHILD
JANUARY TO MAY 2027

Dear Parent/Carer,

Your child has been chosen to receive **'FREE PERSONALISED TUTORING'** at the Academy in READING/SPAG AND MATHS.

At Thrunscoe, we are dedicated to providing the very best for your child; it is **strongly recommended** that your child attends tutoring. Tutoring provides additional study time in a smaller group that will increase your child's confidence and self-esteem in these key subject areas by closing the gaps, improving their progress and improving their outcomes at the end of the year.

SCHOOL LED TUTORING – WHO WILL BE DELIVERING IT:
Thrunscoe Academy teachers, that your child knows and have worked with, will deliver the tutoring for your child; they know your child the best and can adapt accordingly to their needs.

SCHOOL LED TUTORING - HOW IT WILL WORK:

- Tutoring will start week beginning Monday 11th January 2027 and last for 15 weeks;
- Tutoring will take place @ 3.30pm to 4.15pm;
- Your child is invited to attend both Reading/SPAG and Maths tuition, which will take place on a Monday (Reading/SPAG) and a Thursday (Maths) after the normal Academy Day ends. That is 1.5 hours of tutoring per week x 15 weeks = ***22.5 hours in total of tutoring for free (11.25 hours Maths and 11.25 hours English).***
- There will be a maximum of 9 pupils within one tutoring group with one experienced teacher leading each group.
- Your child will need collecting from the academy at 4.15pm for the sessions up until the February half term break due to dark evenings. After this, pupils may walk home alone.

WHAT NEXT?
Before we finalise arrangements, we require permission for your child to attend (see attached sheet). Once we have permissions then we will forward final details regarding the day that tutoring for each subject (maths and reading/SPAG) will take place.

Please complete and return the attached sheet to the academy office by no later than FRIDAY 4TH DECEMBER 2026 in order to secure your child's free place.

Your support in helping your child's learning, progress and attainment is greatly appreciated.
