2nd April 2025

UKS2 Summer Term PSHE
Relationships Unit

Dear Parents/Carers,

Following the Easter break, all pupils will begin to learn about healthy relationships as part of the PSHE and RSE curriculum. We believe that it is important to keep you informed about these statutory aspects of the curriculum so that you are prepared for anything your child may wish to discuss with you.

In Year 5 and Year 6, our Jigsaw work will cover the following topics:

1. Understanding my own personality and personal characteristics
2. Positive and negative consequences of online communities
3. Rights and responsibilities within an online community
4. Rights and responsibilities in online gaming
5. Understanding when I am spending too much time online or using devices
6. Explain how to stay safe when using technology to communicate with friends

If you have any further questions regarding the Jigsaw learning that will be taking place during this relationships unit, please consult with your child's class teacher.

Kind Regards,

Ms Holness
Wellbeing and Personal Development Lead.
