## **Statement of intent**

Thrunscoc Primary and Nursery Academy believes that a consistent academy uniform policy is vital to promote the ethos of the academy and provide a sense of belonging and identity for all pupils, regardless of their protected characteristics or socio-economic circumstances.

This policy lays out the measures the academy has taken to ensure a consistent, fair and inclusive uniform policy, and to implement a uniform that reflects the needs of all pupils, and is affordable and the best value for money for the academy and pupils' families.

We believe that pupils learn most effectively and achieve their best outcomes when they are comfortable, able to be themselves, and dressed in such a way that sets an appropriate tone for education.

## 1. Legal framework

This policy has due regard to all relevant legislation including, but not limited to, the following:

- Education and Inspections Act 2006
- Education Act 2011
- Human Rights Act 1998
- Equality Act 2010
- The UK General Data Protection Regulation (UK GDPR)
- Data Protection Act 2018

This policy has due regard to all relevant guidance including, but not limited to, the following:

- DfE (2021) 'Cost of school uniforms'
- DfE (2021) 'School Admissions Code'
- DfE (2021) 'School uniforms'

## 2. Roles and responsibilities

The governing board is responsible for:

- Establishing, in consultation with the headteacher and academy community, a practical and smart academy uniform.
- Ensuring that the academy's uniform is accessible and inclusive, and does not disadvantage any pupil by virtue of their protected characteristics or socio-economic status.
- Listening to the opinions and wishes of parents, pupils and the wider academy community regarding changes to the academy's uniform.
- Ensuring that the academy's uniform is accessible and affordable.
- Ensuring compliance with the DfE's '[Cost of school uniforms](#)' guidance.

The headteacher is responsible for:

- Enforcing the academy's uniform policy on a day-to-day basis.
- Ensuring that teachers understand this policy and what to do if a pupil is in breach of the policy.
- Listening to the opinions and wishes of the academy community in regard to the academy's uniform and making appropriate recommendations to the governing board.

Staff members are responsible for:

- Encouraging pupils to dress in accordance with this policy.
- Ensuring that pupils understand why having a consistent and practical academy uniform is important, e.g. academy identity.

Parents are responsible for:

- Providing their children with the academy uniform as detailed in this policy.
- Ensuring that their child's uniform is clean, presentable and the correct size.

Pupils are responsible for:

- Looking after their uniform as appropriate.
- Understanding and respecting why a uniform is important to the academy, e.g. academy identity and community.

### **3. Cost principles**

The academy is committed to ensuring that its uniform is affordable and accessible to all pupils, and does not place an unreasonable financial burden on parents.

The academy will assess the overall cost its uniform regularly and will take into account the opinions and situations of:

- Economically disadvantaged parents.
- Parents with multiple children.
- Parents of pupils with protected characteristics.

The academy will evaluate the cost of its uniform based on the overall collection of uniform items that parents would need to purchase for a pupil, rather than on the cost effectiveness of individual items; this will include consideration of the fact that parents will need to purchase multiples of certain items, e.g. shirts and socks, to ensure their child can come to school in clean uniform every day.

The academy keeps branded uniform items to a minimal level that is reasonable for all members of the academy community. Branded uniform is defined as an item of clothing that cannot be purchased at a range of retailers because of logos, colours, design or fabrics. Branded uniform is not compulsory at the academy but alternative items must be of the correct colour, shape and fabric.

The academy is committed to meeting the DfE's recommendations on costs and value for money. Every care is taken to ensure that our uniforms are affordable for all current and prospective pupils, and that the best value for money is secured through reputable suppliers.

The academy will not amend uniform requirements regularly and will take the views of parents and pupils into account when considering any changes to academy uniforms.

### **4. Equality principles**

The academy takes its legal obligation to avoid discriminating against any protected characteristic unlawfully very seriously, and aims to ensure that the uniform policy is as inclusive as possible so that all pupils are supported to access an academy uniform which is comfortable, suitable for their needs, and reflects who they are.

The academy will ensure that all parents and pupils are consulted over any changes to academy uniform, irrespective of age, gender, gender preference, religion, cultural background, and SEND or sensory needs.

The academy implements a gender-neutral uniform, meaning that pupils are not required to wear specific items based on their gender, and may wear any of the uniform items listed in the 'academy uniform' section of this policy.

The academy ensures that pupils who are required to follow certain dress requirements, e.g. by virtue of their membership of a particular religious or cultural group, are afforded flexibility to allow them to wear a uniform that adheres to their requirements as far as possible. The academy endeavours to meet all requests for amendments to the uniform for these purposes; however, will ensure that the needs and rights of individual pupils are weighed against any health and safety concerns for the entire academy community.

Parents' concerns and requests regarding religious clothing are dealt with on a case-by-case basis by the headteacher and governing board, and always in accordance with the academy's Complaints Procedures Policy.

The academy ensures that the needs of pupils with SEND and/or sensory difficulties are considered in the uniform policy, e.g. ensuring soft, stretchy fabrics and avoiding intricate buttons or hard seams; however, where the needs of these pupils cannot be met in the standard uniform policy, individual adaptations to the uniform will be considered and permitted wherever possible.

## **5. Complaints and challenges**

The academy endeavours to resolve all uniform complaints and challenges locally and informally, in accordance with the academy's Complaints Procedures Policy.

To make a complaint, parents should refer to the Complaints Procedures Policy and follow the stipulations outlined.

When a complaint is received, the academy works with parents to arrive at a mutually acceptable outcome.
