### INTRODUCTION

#### **Our school's legal duties under the Equality Act 2010**

The [Equality Act 2010](#) prohibits discrimination against an individual based on the protected characteristics, which include age, sex, disability, race, religion or belief, pregnancy and maternity, and gender reassignment.

To avoid discrimination, our school will:

- Avoid listing uniform items based on sex, to give all pupils the opportunity to wear the uniform they feel most comfortable in or that most reflects their self-identified gender.
- Make sure that our uniform costs the same for all pupils.
- Allow all pupils to have long hair (though we reserve the right to ask for this to be tied back)
- Allow all pupils to style their hair in a way that is appropriate for school and makes them feel most comfortable.
- Allow pupils to request changes to swimwear for religious reasons or if they are experiencing discomfort related to their sex, gender or gender reassignment.
- Allow pupils to wear headscarves and/or other religious garments.
- Allow pupils with sensory or physical needs to make reasonable adaptations to their uniform depending on their specific needs.
- Allow for reasonable adaptations to our policy on the grounds of equality by asking pupils or their parents to get in touch with Lyndsay Daly (Stevens) Parent Liaison, who can answer questions about the policy and respond to any requests. These will be considered on a case-by-case basis. Parents/Carers and pupils are advised to consult a member of the Senior Leadership Team if they are considering

uniform, dress or appearance changes that may conflict with the school policy. However please be advised that the Head of School will be the arbiter in all matters relating to uniform, dress and appearance. Parents/Carers are expected to lodge any complaints or objections relating to the school uniform in a timely and reasonable manner and in accordance with the school's complaints policy.

This policy has been equality-impact assessed and we believe that it is in line with the Equality Act 2010 as it is fair, it does not prioritise or disadvantage any pupil and it helps to promote equality at this school.

It is important that pupils take pride in their appearance and are aware of the impression their appearance makes within the community and therefore Tor View School expects a good standard of uniform at all times. The school also seeks to promote a sense of belonging and shared identity through the implementation of its uniform policy.

### **Limiting the cost of school uniform**

Our school has a duty to make sure that the uniform we require is affordable, in line with statutory [guidance](#) from the Department for Education on the cost of school uniform.

We understand that items with distinctive characteristics (such as branded items, or items that have to have a school logo or a unique fabric/colour/design) cannot be purchased from a wide range of retailers and that requiring many such items limits parents' ability to 'shop around' for a low price.

We do not place any restrictions on where parents choose to purchase uniform and would advise parents/carers that uniform is currently on sale in local supermarkets at very affordable prices.

*Please ensure that all of your child's belongings are clearly labelled so they can easily be returned.*

### **WHOLE SCHOOL UNIFORM**

- White blouse or polo shirt
- Navy, grey trousers or black, skirt or shorts
- Navy logoed jumper or cardigan
- Sensible black shoes – no trainers
- Primary pupils can wear Gingham Blue dresses in the summer term.

***Please note: It is not appropriate for pupils in the Secondary Department to wear Gingham style dresses.***

Health, safety and security considerations mean that certain items of jewellery are not permitted to be worn whilst in school.

- Jewellery must be limited to a watch.
- One pair of sleepers or stud earrings may be worn, limited to one in each ear.

### **Mobile Phones/MP3 devices/smart watches**

Pupils may use their mobile phones on the journey to and from school but must hand in ALL DEVICES on arrival. Pupils are not permitted to take photos or videos on transport as we do not have permission for this from the parents/carers of the other passengers. If a pupil is found with their device in class, then it will be confiscated and returned to the pupil at the end of the day and parents/carers informed. If the pupil is found with their device in class for a second time it will be confiscated and only returned to parent/carer during a meeting to discuss. This meeting will take place at the school’s convenience.

### **Chewing Gum**

Chewing gum is not permitted in school.

## **NON-CONFORMITY TO SCHOOL GUIDELINES**

If a Secondary pupil arrives in school and has not followed the guidelines within this policy, they may be removed from lessons and the parent/carer will be contacted. A record of the incident will be made in a pupil's file and, if they persistently ignore the uniform code, the school may need to consider further sanctions.

In cases where it is suspected that financial hardship has resulted in a pupil not complying with this uniform policy, staff will take a mindful and considerate approach to resolving the situation.
