

**Intent:**

At Tor View, Art & Design education will engage, inspire & challenge pupils, equipping them with the knowledge & skills to experiment, invent & create their own works of art, craft and design. Pupils will be taught to develop their techniques, including their control & their use of materials, with creativity, experimentation and an increasing awareness of different kinds of art, craft & design. As pupils progress, they will think critically and develop a more rigorous understanding of art & design. They should also know how art & design both reflect & shape our history, and contribute to the culture, creativity wealth of our nation. They should also know how art & design both reflect and shape our history, & contribute to the culture, creativity and wealth of our nation
