15th January 2021

Dear Parents & Carers,

School Update

I hope this letter finds you and your families well.

My heartfelt thanks go to all our families who are managing to juggle Remote Learning alongside all the other pressures we are currently experiencing during the National Lockdown. Please remember we are here to support you, and if there is anything at all that you or your child is struggling with then please share this with your class teacher.

We have received some positive feedback regarding our Remote offer...

"Really engaged with the work sent via Class Dojo and enjoyed the directed activity."

"School work is going well, and the pupils are enjoying the online lessons."

"Having a 'social time' during the day where the pupils can see and talk to their peers is going very well and the pupils are looking forward to it during the day."

If, under this new National Lockdown, your child has received a 'Shielding' letter, identifying them as Extremely Clinical Vulnerable, could you kindly forward this to your class teacher so we can keep a record and mark your child's attendance accordingly.

Since the beginning of this term, I have taken on the role of Executive Principal for Valley College <https://valleycollege.co.uk/>. Presently, Valley College provision is small and consists of 15 learners. The college is located in a separate building on our Ewood Campus

inspire, learn, enjoy and achieve

and the staffing compliment are all employed by Tor View School, ensuring they have access to sustainable, high quality Professional Development. I wish to reassure our Tor View School community that the introduction of this extra role has been carefully planned to ensure I continue to have capacity to serve both education establishments.

Many thanks for your continued support and as always, please do not hesitate to get in contact should have any queries regarding the information in this letter.

Kind regards and stay safe

Mrs Louise Parrish
Headteacher
