Tor View School is at the centre of Tor View Specialist Learning Community. We are an outstanding school providing outstanding education for children and young adults aged 3-19 with a wide range of special educational needs ranging from moderate learning difficulties to profound and multiple learning difficulties, including severe and complex learning difficulties. Throughout the school we provide for pupils with additional needs arising from physical disabilities, sensory impairments and specific conditions including Autistic Spectrum Condition.

Tor View School is committed to safeguarding and promoting the welfare of all our children and young people in school. We believe that pupils and students have a right to learn in a supportive, caring and safe environment which includes the right to protection from all types of abuse; where staff are vigilant for signs of any pupil or student in distress and are confident about applying our safeguarding processes to avert and alleviate any such problems.

Safeguarding is about ensuring that everyone is safe from harm – safe from bullying, safe from people who could abuse, safe from discrimination or harassment – and that we all feel safe in the school environment.

To achieve our commitment, we will ensure continuous development and improvement of robust safeguarding processes and procedures that promote a culture of safeguarding amongst our staff and volunteers.

The purpose of this safeguarding policy is to ensure every child who is a registered pupil at Tor View Specialist Learning Community is safe and protected from harm. The Department for Education (DfE) 'Keeping Children Safe in Education' (September 2020), states safeguarding and promoting the welfare of children is defined for the purposes of this guidance as:

- Protecting children from maltreatment;
- Preventing impairment of children's mental and physical health or development;
- Ensuring that children grow up in circumstances consistent with the provision of safe and effective care; and
- Taking action to enable all children to have the best outcomes.

This policy will give clear direction to all stakeholder about expectations and our legal responsibility to safeguard and promote the welfare of all children at our school.

Tor View Specialist Learning Community fully recognises the contribution it can make to protect children from harm and to support and promote the welfare of all children who are registered pupils at our school. This policy applies to all stakeholders; pupils, staff, parents, governors, volunteers and visitors.

No single professional can have a full picture of a child's needs and circumstances. If children and families are to receive the right help at the right time, **everyone** who comes into contact with them has a role to play in identifying concerns, sharing information and taking prompt action.

The Children Acts 1989 and 2004, states a child is anyone who has not reached their 18<sup>th</sup> birthday. The commitment to safeguarding and promoting the welfare of children however will extend to all children who visit Tor View Specialist Learning Community as well as all pupils of school.

Child Protection	Tor View Specialist Learning Community is committed to PREVENTING abuse,
	PROTECTING children from abuse and SUPPORTING those involved in cases of
	abuse. We therefore ensure that:
	ALL staff and volunteers understand the importance of teaching children how to
	keep themselves safe from all types of abuse
	ALL staff and volunteers seek out opportunities that are relevant to their role, to
	teach children the skills to keep themselves safe
	ALL staff and volunteers make and maintain positive and supportive relationships     with children which enable children to feel safe and valued
	<ul> <li>Safeguarding has a high status throughout our school by being on the agenda at</li> </ul>
	staff meetings/briefings, information being readily available on notice boards, regular updates. DSLs meet each term in liaison with health professionals.
	ALL staff feel confident in approaching DSLs to raise concerns
	• ALL staff and volunteers have an understanding of the four categories of abuse;
	NEGLECT, EMOTIONAL ABUSE, SEXUAL ABUSE, PHYSICAL ABUSE.
	We will use Lancashire's Neglect Strategy 2019 and accompanying toolkit to
	identify and assess children whose developmental needs are being insufficiently
	met at an early stage, placing them at risk of achieving poor educational,
	emotional and social outcomes.
	<ul> <li>Lancashire Multi-Agency Neglect Strategy , Neglect Toolkit</li> </ul>
	ALL staff and volunteers understand that there are other ways in which children
	can be abused such as; Online, Child Sexual Exploitation, Female Genital
	Mutilation, Honour Based Abuse, Radicalisation, Trafficking, Slavery, Peer
	Abuse, Forced Marriage and others
	<ul> <li>ALL staff and volunteers have the knowledge, skills and expertise to recognise the signs and symptoms of all types of abuse</li> </ul>
	All staff, if they have concerns, these should be acted on immediately: early
	information sharing being vital in keeping children safe. In exceptional
	circumstances staff should consider speaking to a member of SLT or Children's
	Social Care to discuss safeguarding concerns if the DSL is not immediately available.
	<ul> <li>DSLs keep up to date with emerging and specific safeguarding issues and update</li> </ul>
	training accordingly
	<ul> <li>DSLs update staff and volunteers' knowledge and understanding of such issues</li> </ul>
	in order for them to be able to identify children who are at risk of such specific
	safeguarding issues
	ALL staff and volunteers will maintain and demonstrate an attitude of "it can
	happen here"
	ALL staff and volunteers are child-centred in their practice and act in the best interests of the child at all times

	<ul> <li>ALL staff and volunteers have the skills to respond appropriately and sensitively</li> </ul>
	to disclosures or allegations of abuse
	<ul> <li>ALL staff and volunteers report cases of suspected abuse to a DSL. This will be</li> </ul>
	done as soon as possible (please refer to the Child
	Protection/Safeguarding/Welfare flow chart) using a pink sheet. Where a child is
	at risk of immediate harm, ALL staff understand that they must refer to the Police
	or Children's Social Care
	<ul> <li>ALL staff and visitors know how to refer to Children's Social Care</li> </ul>
	DSLs will make a Section 47 referral to Children's Social Care where a child is in
	need of protection, has been significantly harmed or is at risk of significant harm,
	using Lancashire of Need and Thresholds Guidance and Risk Management
	Toolkit to determine whether this threshold has been met
	This referral will be done by telephone and followed with a <u>CSC Referral Form</u>
	as soon as possible

	• Consent from parents/carers and child (if age appropriate) will be sought prior to this referral, except where this will cause delay or place anyone at risk
	Where consent is not given, parents and carers are informed that a referral will
	still be made, except where this will cause delay or place anyone at risk
	DSLs adhere to policy, procedures and guidance from Lancashire Children's

	Children's Board) with regard to sharing information
	DSLs contribute to Strategy Discussions, Strategy Meetings, Initial and Review     Child Protection Conferences, Care Crown Meetings and other CD meetings
	Child Protection Conferences, Core Group Meetings and other CP meetings
	DSLs or another appropriate member of staff, will attend CP meetings, produce and present reports, liaise with staff, work with parents, work with other agencies

	Communication and work with parents and carers will always be undertaken in a
	supportive manner and in the best interests of the child
	ALL staff understand that children who perpetrate abuse or display harmful
	behaviour should be treated as victims first and foremost and supported in the
	same way a victim of abuse would be supported
	<ul> <li>Specific programmes of intervention and support are offered to children and families who are vulnerable</li> </ul>

Specific	Tor View Specialist Learning Community is committed to keeping our children safe
Safeguarding	from specific forms of abuse.
	We will formulate risk management plans where required using the guidance and
	template below.
	We will ensure that:
	ALL staff and volunteers understand that there are specific and emerging ways in
	which children can be abused and are aware of these specific issues, reporting
	any concerns, in the appropriate manner to the DSL. Specific issues include (but are not limited to):

**<u>Radicalisation</u>**: refers to the process by which a person comes to support terrorism and forms of extremism. There is no single way of identifying an individual who is likely to be susceptible to an extremist ideology.

- Tor View Specialist Learning Community recognises that protection from extremism & radicalisation is a vital element of safeguarding
- ALL staff and volunteers will have 'due regard to the need to prevent people from being drawn into terrorism', known as the 'Prevent Duty'
- Prevent Safeguarding Lead Mrs Louise Parrish (Headteacher)
- Prevent Governor Lead Mrs Elayne Lorenzo (Chair of Governors)
- Prevent Curriculum Lead Miss Kelly Morgan (Deputy Headteacher)
- ALL staff and volunteers will have a general understanding of how to identify a child who may be at risk of radicalisation
- ALL staff and volunteers will use professional judgement in identifying children who might be at risk of radicalisation and act proportionately
- The school <u>Online Safeguarding Policy</u> <u>http://www.torview.org/about-us/policies</u> will ensure the safety of children by ensuring they cannot access terrorist and extremist material when using the internet and that suitable filtering software is in place
- DSLs understand when it is appropriate to make a referral to the Channel Panel and are aware of how to do so.

<u>Child Sexual Exploitation (CSE)</u> involves exploitative situations, contexts and relationships where young people may receive something (e.g. food, accommodation, drugs, alcohol, gifts or simply affection) as a result of engaging in sexual activities. The perpetrator will not only groom the victim (possibly over a long period of time) but will always hold some kind of power which increases as the exploitative relationship develops. Sexual exploitation involves a degree of coercion, intimidation or enticement, including unwanted pressures from peers to have sex, sexual bullying including on line bullying (cyberbullying) and grooming. It is important to recognise that some young people who are being sexually exploited do not exhibit any external signs of this abuse and do not recognise that they are a victim of abuse.

- The school curriculum (whereby sexual relationships/PSHE is delivered) will include relevant information around the risks associated with CSE
- The school <u>Online Safeguarding Policy</u> <u>http://www.torview.org/about-us/policies</u> will ensure the safety of children by ensuring they cannot access inappropriate material when using the internet and that suitable filtering software is in place

<u>Child Criminal Exploitation</u> - is a form of child abuse. It occurs where an individual or group takes advantage of an imbalance of power to coerce, control, manipulate or deceive a child or young person under the age of 18 into any criminal activity:- (a) in exchange for something the victim needs or wants, and/or (b) for the financial or other advantage of the perpetrator or facilitator and/or (c) through violence or the threat of violence. Child criminal exploitation does not always involve physical contact; it can also occur through the use of technology. CCE:-

- can affect any child or young person (male or female) under the age of 18 years
- can affect any vulnerable adult over the age of 18 years
- can still be exploitation even if the activity appears consensual
- can involve force and/or enticement-based methods of compliance and is often accompanied by violence or threats of violence

•	can be perpetrated by individuals or groups, males or females, and young people or adults; and
•	is typified by some form of power imbalance in favour of those perpetrating the exploitation. Whilst age may the most obvious, this power imbalance can also be due to a range of other factors including gender, cognitive ability, physical strength, status, and access to economic or other resources.

This is a geographically bread form of harm that is a typical feature of county lines criminal activity: drug rks or gangs groom and exploit children and young people to carry drugs and v from urban areas to suburban and rural areas, market and seaside towns or drugs from A to B. Key to identifying potential involvement in county lines are g episodes, when the victim may have been trafficked or the purpose of orting drugs and a referral to the <u>National Referral Mechanism</u> should be lered in addition to normal safeguarding procedures.
control beliefs	<b>ur Based Abuse (HBA) Honour based abuse</b> is a collection of practices used to I behaviour within families in order to protect perceived cultural and religious and/or <b>honour</b> . <b>Violence or abuse</b> can occur when perpetrators perceive that a e has shamed the family and/or community by breaking their <b>honour</b> code.
forced	<b>d Marriage</b> is one whereby one or both parties do not consent to marriage but are to do so through violence, threats or any form of coercion. Schools play an important safeguarding children from being forced to marry.
<u>Femal</u>	e Genital Mutilation (FGM) is encompassed within the term Honour Based Abuse:
•	ALL staff and volunteers are aware of the "one chance rule" and will report all cases of suspected Honour Based Abuse or FGM to the DSL immediately FGM is illegal in the UK and a form of child abuse with long-lasting harmful consequences
•	ALL staff need to be alert to the possibility of when a female pupil may be at risk of FGM or when it may have been conducted on them
•	Whilst all staff should speak to the designated safeguarding lead (or deputy) with regard to any concerns about female genital mutilation (FGM), there is a specific <b>legal</b> duty on <b>teachers.</b> If a <b>teacher</b> , in the course of their work in the profession, discovers that an act of FGM appears to have been carried out on a girl under the age of 18 or there are concerns this may be about to happen, the teacher <b>must</b> report this to the police.
author Act) oi author	<b><u>rn Slavery</u></b> The Modern Slavery Act 2015 places a new statutory duty on public ities, including schools, to notify the National Crime Agency (NCA) (section 52 of the n observing signs or receiving intelligence relating to modern slavery. The public ity (including schools) bears this obligation where it has 'reasonable grounds to e that a person may be a victim of slavery or human trafficking':
•	Staff must be aware of the above and contact the DSL should they suspect or receive information that either parents or their children may be victims of modern slavery. The DSL should then contact the NCA and follow their normal safeguarding procedures.
