## Introduction

Hi my name is Lyndsay and I am Tor View School's Parent Liaison Officer.

Hi my name is Lyndsay and I am Tor View School's Parent Liaison Officer.

Tor View prides itself on home—school communication however there maybe times when you have a query or a problem that goes beyond the role of the class teacher – that's when I step in.

I am an alternative contact person who you can approach confidentially if you have any problems, issues or worries about your child/children either in or out of school.

Sometimes, just a chat can help (a problem shared is a problem halved) and often talking can resolve those minor problems before they become big issues.

I endeavour to work with parents and families as much as possible to ensure we have a strong partnership throughout your child's time at our school.

## How can I help?

Some examples of ways I can support families are:

- Support and advice with your child's behaviour, sleep, eating etc
- Advice and support surrounding your child's health and wellbeing.
- Positive Parenting courses.
- Money advice - Benefits claims, debt management.
- Adult learning courses and qualifications.
- Training courses including Makaton and Cygnet
- Parent support groups.
- Filling out forms
- Applying for Pupil Premium/ Free School meals
