Dear Parent / Carer;

RE: Oak National Academy Learning Materials, Virtual Schooling

We are so proud of all of the amazing work that our children and young people have been accessing from our school website throughout lockdown. You have done tremendously in such different times!

You may be aware that the Government has invested significantly in the production of an online learning platform, **The Oak National Academy**. This is a collaboration of a number of excellent partners, teachers and SEND experts. We were very fortunate to have been asked to be involved as a school – you may even see some familiar faces on the Specialist curriculum!

We know that a number of children will be continuing in lockdown even after the school begins our gradual reopening – with this in mind, we would like to direct parents and carers to the Oak National Academy materials via a **webinar** with Mr Findlay-Pidcock, Head of Secondary. This will give you the opportunity to visit the site, ask questions about the materials or structure of the learning content. The webinar will be hosted on **'Zoom'** a video conferencing app which can be downloaded on a laptop, tablet or phone by clicking on one of the hyperlinks below:

If you are interested in attending one of the webinars, please complete the Microsoft Form via the link below or by scanning the QR code at the end of this letter to choose your preferred date and time:
